of Rural Industries emphasis ed because of their relation w farming—we may include plants, factories, milis, workshops making things that town and city people will buy, which are made from our local raw materials.

President Williams of the Wilkes Chamber of Commerce stated that this first meeting was held in this area to arouse interest in this type of industrial work and more detailed information would be presented at later

Dickson Resigns As Director 'Teen Center In Wilkes

Center Progressing Well and Will Continue in Operation

Zeh Dickson, member of the Wilkesboro high school faculty who has been director of the 'Teen Age Center, has resigned and a new director of the center will be appointed soon, it was learned today.

Mr. Dickson stated that he was resigning as director of the center because of the lack of time to devote to the project. Excellent progress has been made since the centers opened and there are now more than 100 boys and girls who enjoy the recreation provided.

At an executive committee meeting held yesterday a committee composed of Forrest. Jones, Paul Cragan, Ivey Moore, Mrs. Robert Gibbs and Claud

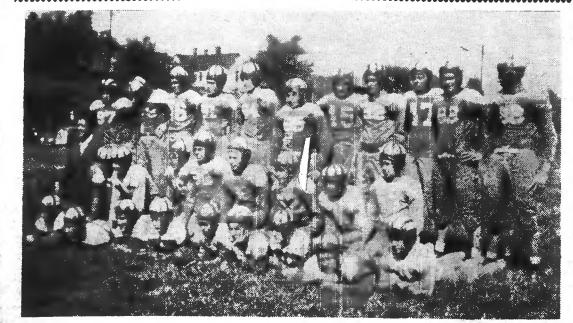

Another committee composed of Paul Osborne, Max Foster, Mrs. G. T. Mitchell and Mrs. R. G. Finley was named to hire a successor to Mr. Dickson as di-

Lagging: Donations Are Urgently Asked

Zeb Dickson, chairman of the The term Rural Industries United Service Organization campaign in Wilkes county, stated today that response to the appeal for USO funds is lagging.
