

### Cricket Home Club In Interesting Meeting

Tuesday, January 28, was too much like a spring day to hibernate; so a large number of the ladies in the Cricket community met at the home of Mrs. D. E. Turner for the regular monthly meeting of the Home Demonstration Club. There were thirty-two present, and included in the number we welcomed two new members, Mrs. Lawrence Pearson, and Mrs. Phil Forester, and a number of visitors, whom we think will join our club within a short time.

At two o'clock Mrs. E. R. Eller, president, called the meeting to order, and the group sang "It's a Good Time to Get Together," and "Is Everybody Happy?" Mrs. D. E. Turner then led a prayer.

Mrs. Bob Church, secretary, read the minutes and called the roll. Mrs. Edward Bumgarner, treasurer, being absent, Mrs. D. E. Turner gave that report, and Mrs. J. P. Crysel reported on the building fund.

During the remainder of the business session Mrs. J. P. Crysel was elected Family Life Leader, and Mrs. D. E. Turner Recreational leader. Leaders for the various other projects will be named next month.

Plans were made for the Federation meeting to be held Thursday, February 6, beginning at 1:30 p. m., at the Masonic all in North Wilkesboro. This club plans to put on an exhibit of our community, showing the proposed community house, and a poster showing the steps we have taken in raising funds, and our intended goal. We think this will be very interesting and hope the meeting will be well represented.

Each club member is determined to show her so-called "better half" she can keep a secret, at least, until next Christmas, for we drew Heart Sisters at this meeting, and know we will have lots of fun during the year.

Our Home Agent, Mrs. Annie H. Greene, showed some very interesting movie slides, in color, on arranging the rooms of our homes. This was very helpful and everybody thoroughly enjoyed the pictures as well as the comments by Mrs. Greene.

During the social hour contests were enjoyed with prizes being awarded Mrs. J. P. Crysel and Mrs. Charlie Y. Warren. The hostess was assisted by Mesdames Charlie Colvard, Clyde Shoemaker, and Miss Marie Turner in serving delicious refreshments.

Our next meeting will be held at the home of Mrs. E. R. Eller with Mrs. W. A. Vannoy and Mrs. Ernest J. Eller as joint hostesses. The demonstration sounds very interesting, "More Ways to Serve Meat." We hope you will plan now to attend this meeting, February 25, at two o'clock, p. m.—Reported.

### V. A. Assisting In Veteran Insurance

Thousands of letters are being sent by the Veterans Administration to National Service Life Insurance policyholders in North Carolina to make certain that accounts are in proper order, the North Wilkesboro Contact Office of VA said today.

Veterans receiving the letters are those whose insurance records indicate that their policies have lapsed because they failed to make premium payments regularly. In some instances, although payments have actually been made by veterans, VA has been unable to give proper credit for various reasons.

The letter being sent to those veterans says, in part: "Without regard to what records of the Veterans Administration presently indicate, your policy is not lapsed if you have remitted premiums regularly."

Veterans who believe VA's record of their accounts is in error are asked to furnish the Richmond Branch Office of VA with dates and amounts of remittances, together with other pertinent information.

North Carolina veterans should address their replies to: Insurance Service, Collections Unit, Veterans Administration, 900 North Lombardy Street, Richmond, Virginia.

Reverse side of the new VA notification letter contains an application blank for reinstatement of lapsed NSLI policies.

The VA office stressed the need for sufficient identification, which must accompany all premium remittances, to assure crediting of the proper account.

### Want To Buy A Town?

Washington. — Among other things the Federal government took over during the war and now wants to get rid of is a whole town in Utah. It's called Dragerton—23 miles east of Price, consists of 277 acres, 604 acres, a water system and other utilities. For sale today, "as a whole, only."

## RED CROSS SETS \$60,000,000 GOAL FOR 1947 TO CARRY ON WORK HERE AND OVERSEAS

Washington, D. C.—On March 1 the American Red Cross through 2,500,000 to 3,000,000 volunteer workers will ask the public to subscribe \$60,000,000 to carry on its far-reaching program for the next fiscal year 1947-48.

In making the goal announcement, Red Cross Chairman Basil O'Connor said that Harry D. Gibson of New York City, who headed last year's campaign, has accepted the fund chairmanship again this year. Nationally known as a philanthropist and financier, Mr. Gibson served with distinction overseas as Red Cross Commissioner in Western Europe and Great Britain for three years from 1942 to 1945.

Pointing out the continuing need for Red Cross services to veterans and servicemen, Mr. O'Connor said:

"Never in time of peace has the American Red Cross been called upon to render such extensive services to the military forces at home and abroad and to veterans as are now required. Approximately 75 per cent of Red Cross funds are still spent in war-related services at home

and overseas. We still have more than 2,900 workers serving outside of the United States. As our work in army and navy hospitals and other installations gradually decrease during the next few years work with veterans and their families will increase."

The 1947 goal of \$60,000,000 was set after a careful survey which pared the 1947-48 budget to the minimum consistent with responsibilities of the organization.

At the present time, the chairman emphasized, more than 10,000 Home Service workers are employed in chapters, supplemented by 19,000 volunteers in this service alone. These workers are serving men in uniform and veterans and their families.

Added to this, Mr. O'Connor pointed out, is the work of the Red Cross in supplying warm clothing and milk for children and medicines for the sick in battle-scarred areas, and, at home, the provision of surplus blood plasma for civilians, and the courses in home nursing, nutrition, first aid, water safety, and accident prevention.

### Sugar Applications Should Be Correct

Atlanta.—Hundreds of Southeastern consumers continue to cause themselves unnecessary delay in receipt of new sugar ration coupons by sending applications incorrectly addressed, A. D. Simpson, Regional Sugar Executive, said today.

Simpson pointed out that the correct address of the sugar issuance center is stamped on each application blank and that the blank, when properly filled out and signed, should be mailed only to that address. The North Carolina office is in Capital Club Building, Raleigh, N. C.

"All that is necessary to obtain an application blank, or information, is to send a penny postal card requesting it, with the consumer's name and address plainly written to the nearest sugar branch office," Simpson said. "But the completed application should be returned only to the address given on the back of the form," he added.

### Mrs. Martha M. Owens Funeral On Saturday

Funeral was held Saturday, 11 a. m., at the home for Mrs. Martha Matilda Owens, 82, well known resident of Mulberry township who died Thursday. Mrs. Owens, wife of the late

J. M. Owens, leaves three children, James F., Russell H. and Sarah M. Owens; one brother, W. E. Brewer; and two grandchildren, James M. and William C. Owens, all of Hays.

"Farm Mechanization" is the title of a recently reprinted bulletin ready for distribution by the N. C. Experiment Station.

# You can't make Apple Sauce from automobiles—

Remember the old story? Where the teacher said: "Jimmy, how would you divide three apples among four people?" And Jimmy answered: "Make apple sauce!"

We wish Jimmy could solve our problem that easily. We've done our best to keep production up and prices down . . . delivering thousands of 1946 Fords. But we still have unfilled orders for over a million more.

You know the reason for the lag in filling those orders . . . the labor shortages, the material shortages, and all those other hitches in getting back to normal.

That doesn't leave us many apples to divide. And as fair and square as we try to be, we just can't make apple sauce from automobiles. But what we can do is tell you what a great Ford you've got coming up in your future.

And while you're waiting, one other thing we can do is urge you to let us keep an eye on your present Ford to protect your safety, comfort and investment.

## Your Ford Dealer

WE REALIZE . . . that the present abnormal demand for automobiles will not last forever; that the day will come when WE SHALL BE KNOCKING AT YOUR DOOR asking for business. Therefore, as in the past, we are endeavoring to so conduct our business that we may always merit your confidence and respect.
