### Mrs. James Lowe Honored at Tea

In a lovely spring-like setting Mrs. Lucius S. Lowe and her three daughters, Mrs. Guy Duncan, of Morganton, Mrs. Frank Crow and Mrs. Carl Buchan, entertained at a formal tea at the Lowe home on Trogon Street Friday afternoon honoring Mrs. Lowe's daughter-in-law, Mrs. James Lucius Lowe, the former Miss Lucy Goodale Thurston, of Taylorsville. Around a hundred and fifty friends called between the hours of four to six to greet the bride, who was married in the Taylorsville Presbyterian church on Saturday, February eighth, and to enjoy the gracious hospitality of the hostesses.

Callers were welcomed at the door by Mrs. R. G. Finley and Mrs. J. A. Rousseau and presented to the receiving line by Mrs. Watt M. Cooper. Others receiving with the hostesses and the honoree were the bride's mother and sister, Mrs. Asa Thurston and Miss Geit Thurston, of Taylorsville. Mrs. Gordon Finley directed to the guest register, which was in charge of Mrs. Henry Moore, and Mrs. Watson Brame showed the way to the dining room where tea was poured by Miss Norma Stevenson, and Mrs. C. E. Jenkins, Sr., and Mrs. W. C. Grier alternated in pouring coffee. Mrs. W. D. Half-acre and Mrs. Boyd Stout assisted in serving sandwiches, fancy

pastries, and mints. Good-byes were spoken to Mrs. Frank Blair. A color note of green and yellow was emphasized in the dining room and elsewhere about the home were attractive arrangements of mixed spring blossoms and candles. The dining table, spread with a lace cloth had for its centerpiece a crystal bowl of yellow flowers, jonquils predominating, and purple iris, about which four yellow candles gleamed in crystal holders. A similar bouquet was placed on the buffet.

My hats off... to my customers who have been so swell about waiting for the tire that...  
**OUTWEARS PREWAR TIRES**

There's no getting away from it! When you have a good thing—word gets around—and FAST! And from our view, it seems everyone is demanding the tire that OUTWEARS PREWAR TIRES.

**FOR EXTRA SAFETY AND EXTRA MILEAGE THE NEW B. F. Goodrich Silvertown IS WORTH THE WAIT!**

The new Silvertown tires have been setting records for long mileage, safety and economy not only on taxi fleets, police cars and special test cars but in regular car owner use. These new tires are built with a broader, flatter tread that puts more rubber in contact with the road, spreading the wear over a larger area. To hold this heavier tread, B. F. Goodrich engineers developed a 35% stronger cord body with stronger cords and more of them... This meant better bruise resistance, greater safety. If you want the tire that OUTWEARS PREWAR TIRES, place your order today. A little wait will be rewarded with today's biggest money's worth in tires.
