

Gilreath Club Holds Monthly Meeting
 The Gilreath Home Club met at the home of Mrs. Lula Hendren in their business and social meeting, with the new president, Mrs. W. H. Tevepaugh, presiding. New plans for the year's work were discussed, and many help-

ful suggestions were presented. Mrs. Ed Hendren was chosen "Family Life Leader" for the Club. Plans were made for achievement day using "Measuring your health," by using the seven basic foods daily.
 Mrs. Lula Hendren, Mrs. W. H. Tevepaugh, Mrs. Ed Hendren, Mrs. Manda Parker, Mrs.

Greene, and Miss Morrison, gave an interesting skit on the outlook for the New Year.
 Next meeting will be at the home of Mrs. M. V. Robinson February 26. Everyone is urged to attend.

Purlear H. D. Club Has Monthly Meet
 Purlear Home Demonstration Club met for the January meeting with Mrs. Will Canter. The

meeting was opened at 1:30 by the president, Mrs. Nora Eller, reading the scripture. The meeting was based on the theme "A Brighter Outlook for 1947." Mrs. Tom W. Hayes was chosen as Family Life Leader. We had both Mrs. Greene and the new assistant H. D. Agent, Miss Morrison with us. At the close of the business session Mrs. Canter served delicious refreshments. Several members and visitors were present and everyone had a nice time. We hope to have a large attendance next time as the

demonstration is to be on making and baking a "Meat loaf." This meeting is to be held with Mrs. Wayne Yates on Thursday, Feb. 27. So everyone come as Heart Sisters are to be drawn for this year at this meeting also.
 January exports of United States grain and grain products amounted to forty six and one-half million bushels.

More Important Than Ever!

In this season of lowest natural light, indoor lighting is more important than ever.
 Despite the fact that most babies have perfect vision, only three out of ten adults have perfect vision.
 Why not check with our Lighting Engineers to make sure that light is doing its part to keep your child's vision perfect?
