### Football Subject Kiwanis Program Here Friday Noon

**Arthur Venable and Richard Johnston Explain Game To Club**  
The North Wilkesboro Kiwanis club held an interesting meeting Friday noon at Hotel Wilkes. Program Chairman Paul Osborne, brought the club an interesting program on the subject of "Football." He gave certain remarks pertinent to the desire of a good many members to be familiarized with the rules of the game and then presented Arthur Venable, who played for Mercer in the years past and then coached high school football in South Georgia for four years and after that coached a Louisville, Ky., team for three years. He gave a discussion and

demonstration of various field plays. He used the blackboard to illustrate several offensive and defensive plays.  
Richard Johnston was then presented to discuss the rules of the game and the penalties for their violation. He stressed the importance of the spirit of the game and the opportunity it offers for fair play and that everything short of that ideal is unsportsmanlike.  
Prior to the talks on football, Miss Frances Miller, of Wilkesboro, sang, "My Hero" by Straus; and "The Hills of Home" by Fox.

Prior to the program Rev. H. M. Wellman reported that he had visited Dr. G. T. Mitchell, club president, in Duke hospital, and found him making progress toward recovery following a recent operation.

### Millers Creek Club Donates to School

The Millers Creek Home Demonstration Club has recently completed two projects in helping the local school. The club had a large sign painted on the front of the main school building and placed a new electric range in the Home Economics Department. The sign and the range were paid for from funds raised by the club. Last Wednesday and Thursday Miss Addie Malone, a representative of the Duke Power Company, gave the Home Economics classes demonstrations on how to use the new range.

The local Home Demonstration Club is at the present time headed by Mrs. M. F. Bumgarner as president and Mrs. W. P. Bumgarner as secretary-treasurer.
