NEWS

SUFFERERS OF STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS

And other disorders, such as Headaches, Indigestion, Acids, Toxins, Bloating, Weak Back, Frequent Rising at Night, Lumbago, Leg Pains, Lack of Vitality and Energy, Poor Appetite, may be greatly relieved by the help of a Natural Remedy—GEO-MINERAL.

Drugless Health!

NO MATTER how long you have been suffering from stomach, kidney and rheumatic distress, and what drugs you have tried before, you can, now, hope for relief if you take GEO-MINERAL. With your eyes SEE the results seven days after you start taking it.

Wonder Minerals

FOR THOUSANDS of years sufferers, on advice of doctors, go to mineral springs to get cure, or relief. The late President Roosevelt used to go to Mineral Springs in Georgia. He was helped or would not have gone there twice a year.

WE HAVE all heard of the miraculous springs of Lourdes, France, and famous Thermal in ancient Greece, where, according to legend, Hercules, the God of eternal strength and youth, washed his wounds and bathed to be forever young.

IF YOU ARE a sufferer, and can not go to the mineral springs, try GEO-MINERAL which contains a blend of the same minerals that can be found at the world's best springs. The minerals in it may work miracles.

Amazing Results

WATCH your eliminations from your bowels two or three days after you start using GEO-MINERAL. The waste, black as coal, will break away and you will SEE IT! Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, and feel the relief. Be sure to watch for all this to realize its priceless value.

GEO-MINERAL is not a placebo, and does not interfere with the foods in the intestines. It gets down to the root, cleaning and purifying, throwing away poisons—gas, toxins and bloating. Not like physics, oils and cathartics do, but in a Natural, harmless, safe way.

WHEN the poisons are out of the system, and the kidneys are pure, when the gas, acids and toxins, that cause acid condition in the blood, are gone, we begin to feel the rheumatism and arthritis leaving us, and Nature starting to complete the recovery.

Our Guarantee

WE URGE you to try GEO-MINERAL. Come to this drug store NOW and get one bottle. Use it seven days. If you are not 100 per cent satisfied, we will refund your money in full.

TRY IT! It may be the remedy you NEED! . . . and making the best investment for your health. It may do wonders for you—make you feel, eat, sleep, work and enjoy life better.

Colon Illustrations

THE COLON is one of the most important organs of our body. The following illustrations show the colon in various forms, as one's condition in health may be. You may ask: How is my colon?

THE IDEAL COLON. A person in perfect health possesses a colon like this—firm and regular, with well functioning muscle.

CONSTIPATION is the cause of this atonic abnormal condition of this colon. IMPORTANT: Keep colon free from poisonous waste matter.

SPASTIC CONSTIPATION—Pinching down of the descending colon. This condition often caused by over use of harsh cathartics, physics.
