Club At Millers Creek In Meeting

Mrs. J. H. Eudally entertained the April meeting of Millers Creek Home Demonstration club. Mrs. M. F. Bumgarner was co-hostess.

Beauty was the theme for the day—beautiful weather, beautiful season, beautiful spirit of friendliness topped with a picture demonstration of beautifying the yard.

There were too many ladies absent. Only sixteen showed up for the worthwhile program. Those present learned that the easiest, simplest yard planning and planting is the most beautiful; that the yard more than the house reflects the personality of the people living in the home; "that man with all his inventions has found no substitute for the contentment and inspiration that comes from a beautiful landscape." (Quotation from horticulturist John H. Harris).

Cancer drive started with over ten dollars, cook books all sold, and refreshments served. May meeting will be with Mrs. Q. O. Kilby, third Thursday.—Reported.

Cricket Club Meets For April Program

This is the time of year when we think most about making our yards and homes more beautiful. Much information was given on this subject by Mrs. Annie H. Greene, Home Agent, to the members, and visitors, of the Cricket Club Wednesday afternoon, April 7, when they met at the home of Mrs. D. E. Turner for their regular meeting.

"The Old North State" was used as the opening number, and after repeating together the Club Collect the secretary gave her report of the last meeting, which was approved. Twenty-seven members answered to the roll call, and there were three visitors present. Next month each member is requested to answer present by giving a helpful household hint.

Mrs. Hunter Church, our Health Leader, was appointed as chairman of the Cancer drive, and she in turn named a committee to assist her in this work through this community. The Club as a whole voted also to

make a donation to this fund.

Plans were made concerning the "Manless Wedding" to be given by the Cricket Club at Millers Creek School Auditorium on Friday night, April 23, at 7:30 o'clock. A large number of the members are donating homemade cakes for the cake walk which will be held immediately following the wedding. Advanced tickets are now on sale by members of the Club, and a good time is expected when "May Nott" and "Teak Woods" are "joined together in the bonds of alimony" as the parson says.

As "Yard Beautification" was discussed by Mrs. Greene she showed movie slides of homes before and after the houses had been underpinned, painted and the yards graded and the right amount of shrubbery planted. Much interest was shown in this meeting, and we were all greatly benefited by attending.

During the social hour chances were sold on an apron brought to the meeting by Mrs. Richard Minton, at a dime a chance. This netted the general treasury \$3.75. Mrs. Hunter Church and Mrs. Albert Vannoy served ice cream, cake, nuts and Coca Colas to all present.

Our next meeting will be at the home of Mrs. E. R. Elser. Everybody is urged to be present and bring a new member with you.—Reported.
