## Mrs. M. B. McNeil Fetes Miss Dockery

Mrs. M. B. McNeil was hostess at a lovely party at her home on Ninth Street Saturday afternoon complimenting Miss Ruby Dockery, a member of the Burlington public school faculty, who was spending the week-end here in the McNeil home. The honoree, a bride-elect of June the fifth, was given silver in her pattern by her hostess, also a cor-sage of gardenias. Bridge was played at six tables, arranged in a colorful setting of spring flowers, guests including members of the Sans Souci club of which Mrs. McNeil is a member. High and second high score prizes in the club were won by Mrs. Jack Swofford and Miss Zell Harris, while among the visitors the winners were Mrs. Cecil Hauss and Mrs. Ray Hoover. The dessert course served at the beginning of play carried a bridal note of green and white.

## Mrs. Paul Billings Honors Two Teachers

Mrs. Paul Billings was hostess at a "Come-and-Sit" tea at her home on Fifth Street Saturday afternoon and had as honor guests, Miss Sallie Outlaw, a former member of the North Wilkesboro public school faculty and who this year is teaching at Leaksville, and Miss Lena Long, a member of the city school faculty in North Wilkesboro. Miss Outlaw, a guest over the week-end in the Billings home, and Miss Long, a bride-elect of the early summer, were remembered with gifts by Mrs. Billings. The guests, numbering around twenty, came at 3:30 o'clock, and consisted mostly of teachers associated with Miss Outlaw when she was teaching here. The hostess served tempting refreshments during the hour.

## FARMER'S FORUM

"Before planting my fall and winter pasture mixtures of small grains and legumes in August, I applied 200 pounds of Chilean Nitrate per acre. My cattle are now knee-deep in luscious grazing that got the fertilizer, whereas growth is very skimpy on spots that were accidentally skipped. In the future no fall and winter pastures for me without proper fertilizer."

## You Get More for Your Money

# when you get a UNIVERSAL Jeep

YOU GET 4-WHEEL DRIVE for steady-pulling traction in the field. Used as a tractor, the Universal "Jeep" operates plows, discs, harrows and other implements at tractor speeds of 2 1/2 to 7 m.p.h. It's easier on the driver, too.

YOU CAN HAUL AND TOW on and off the road-when you get a Universal "Jeep". It carries up to 1200 pounds, tows a braked load of 5500 pounds-on or off the road. In addition, you also get the comfort and convenience features shown below.

**Driver's Seat** of spring and cushion construction, with full back, means more comfort with less fatigue from field work. Fenders help protect the driver from dust and mud.  
**For Night Field Work** and highway driving, the "Jeep" has powerful 7-inch sealed-beam headlights-same size lights as used on passenger cars-plus parking lights and tail light.  
**Easy to Drive** as a car. Full instrument panel, self-starter, conventional pedals and accelerator. Change from 2 to 4 wheel drive is made by merely shifting transfer-case lever.  
**With Power Take-Off** the "Jeep" has 30 h.p. for operating all types of belt and shaft driven equipment. You can't beat a "Jeep" for versatility and year 'round usefulness.
