# DRIVE-IN THEATRE

Located 5 Miles North of North Wilkesboro On Highway No. 18

Back Up the Y. M. C. A. Drive For This City!

The U. S. Forest Service says enough trees of saw-timber size were destroyed by fire in 1947 to build 86,000 five-room homes. May is the traditional worst forest fire month.

## Wilkes Grade A Dairies Increase

By J. P. CHOPLIN, County Agt. C. B. Hendren, N. C. Dairy Inspector; E. R. Sprull, Wilkes County Sanitarian; and the County Agent, J. P. Choplin, visited several dairymen this week. Bland Martin, of Ronda, is now using his new Grade A dairy barn. Mrs. Martin was proud to show us about this well kept dairy. Just up the road within sight of the Martin dairy we found Avery Byrd and his father

busily putting the finishing touches to their new Grade A dairy barn. Just a mile from these two dairies, Don Poplin is about to finish his new Grade A dairy barn.

There are at least a dozen more Wilkes county farmers now building Grade A Dairy barns. And even more farmers are planning to build. Along with these new Grade A dairy barns will come more and better pastures, and better cattle, better homes, better income, and better living.
