Vote Next Tuesday

Next Tuesday, November 2, will be election day and the American people will once again choose their leaders in the American way. It is the duty of every person who enjoys the privileges and liberties of American citizens to vote in the general election. To fail to vote is to fail your country in time of need because the strength of Democracy lies in the exercise of your rights at the ballot box.

LIFE'S BETTER WAY

WALTER E. ISENHOUR

WHY FAIL IN LIFE?

Why fail in life when you can rise
And run your race and win the prize

Of manhood's best and finest gems,
Worth more than thrones and diadems;
Grand gems of honesty and truth
That beautify both age and youth;
Rich gems of godliness and love
That shine on earth and gleam above?

Why fail in life when God's good will
Is that you climb up manhood's hill
And be a burning, shining light,
Adorning all that's good and right;
That you may bless the souls of men,
Uplifting them by tongue or pen;
Or help dear pilgrims on their road
Who may be struggling 'neath their load?

Why fail in life when you can bless
Your fellowmen through righteousness;
When you can have a noble name,
Worth more than wealth and greatest
fame;
When you can glorify our Lord
Who always gives a rich reward;
When you can leave your mark behind
That others may salvation find?

Why fail in life when God has planned
That you may with the greatest stand,
Who've gone this way in other days
To His great honor and His praise;
Who didn't seek for earthly things,
Nor strive for thrones as earthly kings,
But who were clean in soul and heart,
And strove in life to do their part?

Why fail in life with acres strewn
With precious diamonds you can own—
With opportunities to climb
To heights both worthy and sublime;
With privileges of great success
Along the way of righteousness;
With time to spend to bless the earth
By deeds of richest, greatest worth?

Why fail in life when you can pray
And win great battles day by day;
When you can have God's presence sweet
To guard your life and guide your feet;
When you can be an earnest saint
To lift the souls of those who faint;
When you can rise at least and sing
Eternal praises to our King?

PROVE CAMEL MILDNESS FOR YOURSELF!

In a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—an average of one to two packages a day—for 30 consecutive days. Each week their throats were examined by noted throat specialists—a total of 2470 examinations—and these doctors found not one single case of throat irritation due to smoking Camels.
