

Evangelist Keyes Reports On Work In Wilkes County

Evangelist Charles A. Keyes, Jr., Wilkes County's widely known Home Mission Worker and director of The Christ Gospel Home Mission Work, Inc., which he has been carrying on in Wilkes County for several years, is celebrating this year his 15th Anniversary in Home Mission Work which he has carried on since a small boy, entirely by faith. The Evangelist has distributed

hundreds of Bibles, testaments and thousands of his "Sword Of Truth" evangelistic pamphlets throughout the county with returns in great results. In his Christian work in Wilkes county during the last five years he has ministered in various ways to approximately 35,000 people. An untold number has made professions of faith and many who was looked upon as outcasts to society have reformed under the influence and spiritual help of Evangelist Keyes. He has in his files hundreds of letters from Wilkes county citizens giving their testimony and appreciation of the good that has been done through the Christ Gospel Mission Work.

The Evangelist is at present carrying his work into isolated neglected sections of the mountains, where he finds many homes without any spiritual guidance—and many areas he finds people who has never had their foot inside of a church. In his travels during the years of 47-48-49—four homes out of ten he has visited he finds children who has never been to Sunday school and they know very little of Christ or what the Church stands for in their Community. The evangelist announces he will run a complete yearly report of The Christ Gospel Home Mission Work in this paper very soon. Evangelist Keyes wishes to notify all who write him that he is no longer at Rural Hall, N. C. but all mail

New Building Now Being Erected For Wilkes Hatchery

C. C. Gambill is erecting a large building north of this city in the Fairplains community. The new structure will be occupied by the Wilkes Hatchery, which is now located on Tenth street and operated by Mr. Gambill.

The new building will be 70 by 100 feet and will be of block, brick and concrete construction. It is located just north of Fairplains Baptist church on the west side of Highway 18, on a plot of land recently purchased by Mr. Gambill from Mrs. Margaret Coffey, of North Wilkesboro.

In the new building, which will be completed at an early date, Mr. Gambill expects to expand his hatchery and feed business.

New High Established In Christmas Trade

Washington, Jan. 6.—Christmas sales for department stores across the nation apparently set a new high record in 1948 after all, a Federal Reserve Board report indicated tonight.

The edge was slight. But it represented a sharp improvement in sales during the closing Christmas shopping days after a disappointing lag during November and the first half of December.

Marriage License

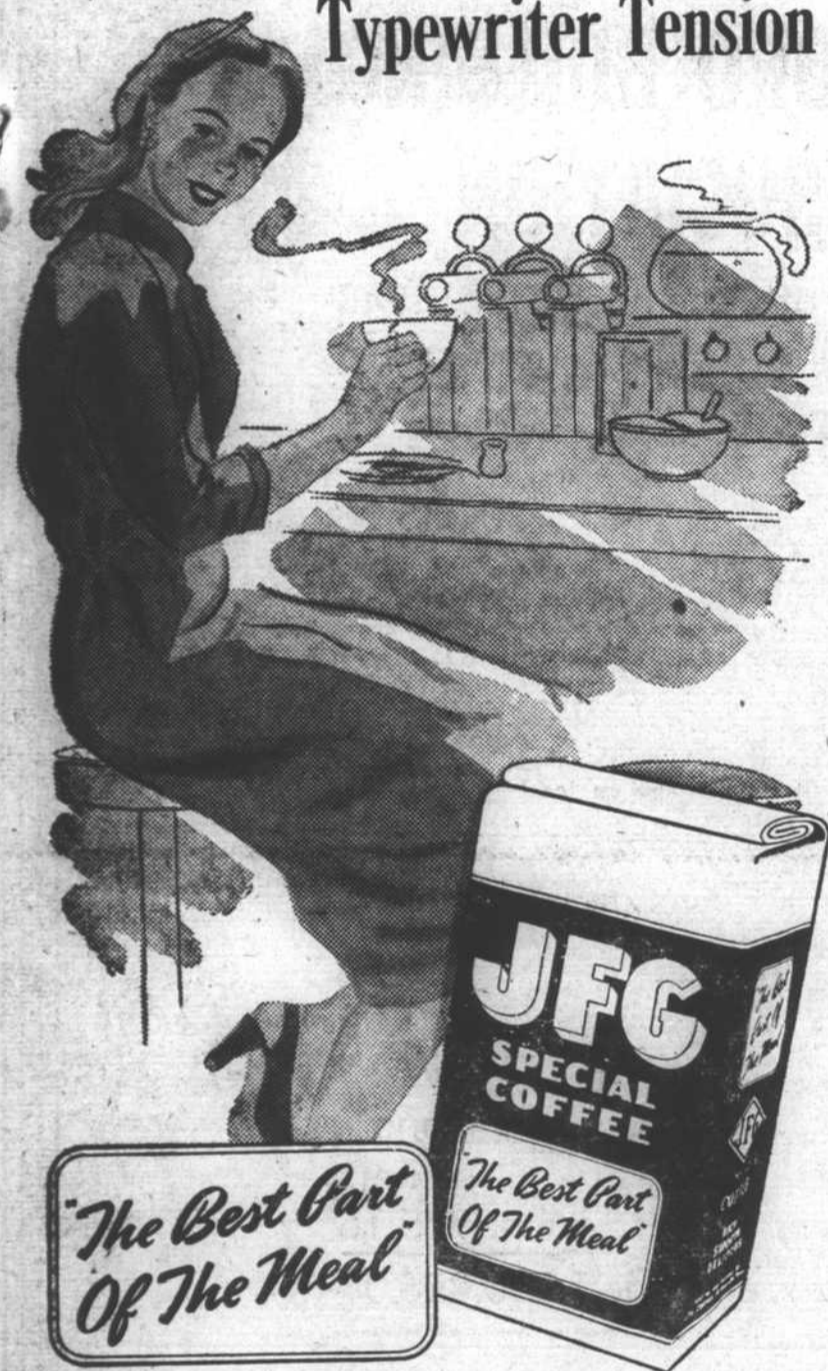

License to wed were issued during the past week by Wilkes Register of Deeds Troy C. Foster to the following: Grover F. Burchette, Piney Creek, and Kathleen Roland, Clifton; Clyde Daymon Foster and Roby Joyce Laws, both of Purlear; Nelson Glenn Sheik, Yadkinville, and Laura Catherine Glass, Winston-Salem; Burton Wyatt, McGrady, and Irene Haynes, Reddies River; Raymond Lewis Crump and Mabel Ann Stanley, both of Elkin.

Since the Economic Cooperation began functioning last April, it has authorized dairy products purchases totaling nearly 49 million dollars.
