

How MILD can a cigarette be?

In a recent test of hundreds of people who smoked only Camels for 30 days, noted throat specialists, making weekly examinations, reported NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking CAMELS

In Memory Of E. H. Laws

Ernest H. Laws was born May 28, 1895, and departed this life January 3, 1949. He was the only son of Mrs. Arebelle Laws Davis, who survives. He spent most of his life in the Pores Knob Community, where he was well and favorably known. He made many life-long friends in his earlier days by nursing the sick in this and many other communities. For the past few years he had been kept close at home because of his aged mother, to whom he was always very devoted. He also loved his church dearly, as was shown by his faithful attendance and service as an usher each Sabbath day even after his health began to fail him more than a year ago.

He suffered a cerebral hemorrhage on last Christmas eve, from which he never rallied, taking his departure of this life on Monday, 2 a. m., Jan. 3, 1949. Funeral services were held at Walnut Grove Baptist church, where he was a faithful member, Tuesday, Jan. 4, at 2 p. m. with a large crowd present. The pastor, Rev. John Wells, was assisted with the service by an ex-pastor, Rev. E. V. Bumgarner, of Taylorsville, and the home church quartet.

Pall bearers were close friends of the deceased and the many beautiful flowers were carried by ladies of the Walnut Grove Sunday school classes.

He is greatly missed in his home, church, and community. Contributed.

Pores Knob Home Club Makes Plans For 1949

A full year of work for 1949 was planned by the Pores Knob Home Demonstration club when it held its first meeting of the new year Friday, January 14, at 2 p. m., at the Community House with Mesdames P. M. and M. D. Lowe, and C. M. Ashley co-hostesses. Twenty-two members and one visitor enjoyed their hospitality along with our Home Agent, Mrs. Annie H. Green's interesting discussion of the New Year's work ahead of us. She gave us information of our organization, beginning with the individual club and ranging on through to the Associated Country Women of the world. Announcements of special interest meetings were also made by Mrs. Green and she, assisted by Mrs. Ethel Lackey, Mrs. Dorothy Frazier, Mrs. Janie Brodyhill, and Mrs. N. C. Craven, reviewed the meeting held Jan. 12 on "Gardening," giving those who had been unable to attend some valuable information on "Wilt Resistant Vegetables," treating seed, etc., as given by Mr. Howard Garriss.

The president, Mrs. J. M. Bentley, opened the meeting with prayer followed by the club singing, "We Believe In Our State." Mrs. C. M. Ashley gave the devotional reading and the club repeated the collect in unison. The secretary and treasurer, Mrs. W. C. Anderson and Mrs. W. R. Parleir, respectively, gave their reports which were approved. Each member answered the roll call with a New Year's resolution.

A general plan of work for 1949 was given the club by the president. This includes our community project, which is to paint community house, floor kitchen, set shrubbery, grade playground, and get some play equipment. Special work for some of our leaders is a room improvement contest to be supervised by our Home Management and House Furnishings leaders, Mrs. B. M. Brodyhill and Mrs. C. M. Ashley; fashion parades supervised by Mrs. Dorothy Frazier, our clothing leader; and canned foods exhibits by our food leaders, Mrs. C. P. Brock and Mrs. W. R. Parleir. Prizes were given to Mrs. Kenneth Brodyhill and Mrs. Jim Frazier, recreational and clothing leaders, for their excellent scrap books kept on this work last year and another prize is offered for the best leader's scrapbook this year. A prize went to Mrs. W. G. Johnson for being the club's best heart sister for 1948. Home Demonstration pins were presented to Mesdames P. M. Lowe, C. M. Ashley, J. B. Parleir, Horace Lackey, and W. C. Anderson for perfect attendance last year and several other members received a nice gift for being 100 per cent members. The vice president, Mrs. Vaughn Brodyhill, named Mrs. J. B. Parleir, Mrs. Plato Hendren, and Mrs. F. M. Jennings to serve as committees to get our shrubbery set for the Community House grounds.

Our health leader, Mrs. N. C. Craven, is receiving funds for the March of Dimes Polio Campaign now on and will be glad to turn your dimes and dollars into the County Chairman for you.

Hostesses for each month of 1949 were selected.

Tempting refreshments were served at the close of the business session by the hostesses. The club was very glad to have Mrs. Mathis, president of Clingman club, as a visitor.—Reported by Mrs. J. M. Bentley.

Resolution Respect Miss Betty Sue Hall

Whereas, Almighty God in His unerring wisdom on December 25, 1948, called from us a faithful member, Betty Sue Hall, we, the members of the young people's class of Pine View Sunday school, wish to offer as a tribute to her memory the following resolutions:

First, we bow in humble submission to God's will, realizing that he doeth all things well.

Second, that we feel deeply the loss of her whose memory we shall cherish: that we shall miss her presence and friendly greetings.

Third, that her beautiful Christian character, her love and devotion to her church has been a benediction to us and we thank God for her life.

Fourth, that we extend our heartfelt sympathy to her family and pray that God's richest blessings may abide and comfort

them, and that her life and spirit may prove an incentive and inspiration to them as they pass on the upward way.

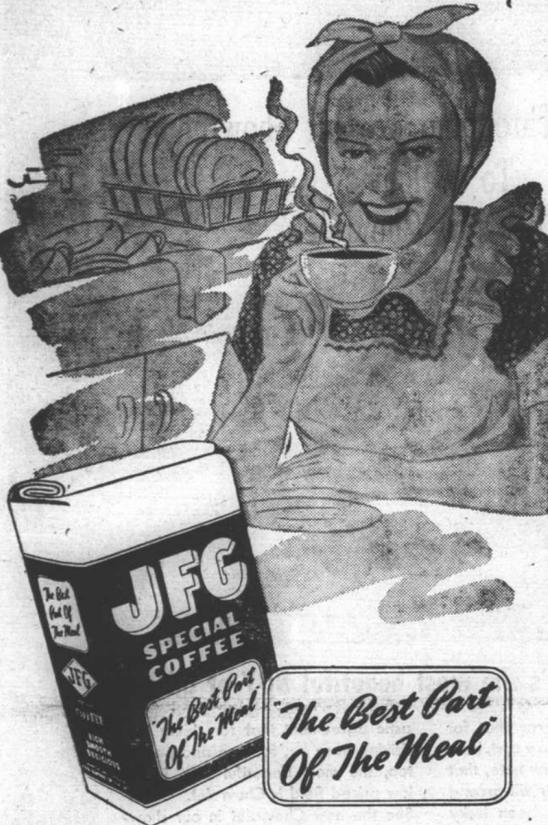

Fifth, that a copy of these resolutions be sent to the family and a copy to The Journal-Patriot, for publication.
