Drugless Health!

NO MATTER how long you have been suffering from stomach, kidney and rheumatic distress, and what drugs you have tried before, you can, now, hope for relief if you take GEO-MINERAL. With your eyes SEE the results seven days after you start taking it.

DEUGISTS. Chemists cannot make GEO-MINERAL. It comes from the earth — Nature's laboratory. Contains NO dope, NO alcohol, NO oil. ONLY Nature's minerals — the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

Wonder Minerals

FOR THOUSANDS of years sufferers, on advice of doctors, go to mineral springs to get cure, or relief. The late President, Roosevelt used to go to Mineral Springs in Georgia. He was helped or would not have gone there twice a year.

WE HAVE all heard of the miraculous springs of Lourdes, France, and famous Thronion in ancient Greece, where, according to legend, Hercules, the god of eternal strength, and youth, drank its waters and bathed to be forever young.

IF YOU ARE a sufferer, and can not go to the mineral springs, try GEO-MINERAL which contains a blend of the same minerals that can be found at the world's best springs. The minerals in it may work miracles.

Amazing Results

WATCH your elimination from your bowels two or three days after you start using GEO-MINERAL. The waste, black as coal, will break away and you will SEE it! Also examine your urine. You may see impurities — poisonous waste — coming out of your kidneys, and feel the relief. Be sure to watch for all this to realize its priceless value.

MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite when your eyes lack that bright spark and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down — it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

"We wish to state that after selling Geo-Mineral for eight months, this product has broken all sales records in the medicine line in our drug store!" — reports Jack Wright, owner of Economy Drug Co., Anderson, S. C. "Users report almost miraculous results, helping sufferers with rheumatism, arthritis, weak kidneys, and various stomach ailments. We believe that there exist very few items on the drug-gists' shelf with the merit of this natural mineral medicine. Of thousands of bottles sold on guarantee basis, there have been very few refunds."

your blood. GEO-MINERAL is then what you need.

100% Guaranteed!

WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you — and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better. GEO-MINERAL: 1 bottle \$1.10, 6 for \$5.00
