First Performance Swing Band Here Is Much Enjoyed

The more than one hundred young people of this and nearby communities attending the Teen-Age Center at the North Wilkesboro gymnasium Saturday night were delightfully entertained by a splendid program, which showed much ingenuity and resourcefulness on the part of the program and house management committees elected by the student body.

The main feature of the evening's activities was the musical program rendered by the newly organized North Wilkesboro Swing Band, which is composed of the following members of the high school band: Christine Godbey, Robert Wells, Carl Sworford, Frances Harris, Doris Anne Godbey, Carolyn Deans, Tyre Sidden, Betty Blackburn, Norma Gabriel, Betty Jean Wells, Ann Carlton, and Calvin Hayes.

Many of the young people danced to these melodies: "Tea for Two", "Serenade of the Bells", "Irish Lullaby", "Let the Rest of the World Go By", and "Star Dust".

With the continued enthusiastic spirit shown by the young people and the public toward this worthwhile organization, it is felt that the Teen Age Center will provide and promote wholesome and enjoyable recreation for the youth of this community.

ANOTHER AMERICAN IDEA
More than one-hundred million American cars have rolled off the assembly lines. Only in a country like ours—where the mechanic who makes a car also makes enough money to buy one—can cars be made and sold in million lots. Your money in the bank helps to finance automobile production and to make jobs for 9 million workers in this field. When you buy a new car, bank credit will help you finance it. This is the system of American free enterprise and free chartered banking at work for you!
