

Newcomb To Speak At Ladies' Night K. Of P., Dokies Club

Alan H. Newcomb, one of the south's outstanding speakers, will address the ladies night banquet of Knights of Pythias lodge and Dokies club to be held Friday, May 13, at Carolina Restaurant.

Although still a young man, Alan H. Newcomb has gained an enviable reputation on the lecture platform as a humorist, philosopher, and after-dinner speaker, and his depth of experience has given him an ease of manner and variety of expression that mark him as a "comer" in this field.

A bomber pilot in the late war, Lt. Newcomb flew many missions over Germany, and in 1944 was shot down over the Ruhr Valley and became a prisoner of war until the conclusion of hostilities. While in prison, he kept a complete diary of the events there, and upon his return to the States

and civilian life, this diary became the book, "Vacation With Pay." This fascinating record of prison-camp experiences has enjoyed great success, particularly because it does not tell a grim story, but a very human and amusing one, of the reactions of young Americans to the discomforts and privation of prison life.

Mr. Newcomb, a graduate of Ohio Wesleyan University, has been active in radio work since the war, and is now Program Director and Feature Announcer now with WIS, Columbia. In addition to these responsibilities, he is now travelling extensively, appearing before leading clubs, trade and professional associations in the Eastern United States. Civic organizations have expressed in glowing terms the suitability of his talks for their "Ladies' Nights," and other meetings.

On every occasion, Alan H. Newcomb has proved he can deliver an afternoon or evening of entertainment that is hard to equal. And the inspirational philosophy which forms the basis of his thinking is gratefully received by his hearers everywhere.

"Be Your Age", Heart Movie, To Be Shown At Allen On Sunday

"Be Your Age" is a motion picture, which everyone over 30 years of age should see, according to Dr. J. W. Roy Norton, State Health Officer, North Carolina Board of Health. This is a public service film which will be shown at the Allen Theatre on Sunday, May 8. "Many of the 8,202 North Carolinians who died of heart disease last year," Dr. Norton stated, "would still be alive if they had given their hearts the consideration that nature requires." Heart disease is the number one killer in the State and nation. "Be Your Age," continued Dr. Norton, "is recommended by the North Carolina Board of Health. It is a film which encourages caution, but also changes fear to confidence and hope. It will broaden everyone's understanding of the human heart and how to protect it."

"Be Your Age" is a film co-sponsored by the American Heart Association and the Metropolitan Life Insurance Company. The film had its premier in Radio City Music Hall, New York. It has been shown in many other states.

"Be Your Age" will be shown as a public service on Sunday, May 8, according to Mr. Allen, Manager of the Allen Theatre.

Wilkesboro Loses Game To Maiden

Wilkesboro high school baseball team dropped a game to Maiden at Maiden Tuesday afternoon by score of 8 to 6.

Groce and Whittington divided mound duties, and were effective. But a flock of infield errors proved the Wilkesboro team's undoing in early innings.
