## Central Telephone Employees Cited For Safety Record

The Central Telephone Company has honored forty-two employees in the North Carolina District for outstanding safety records during 1948. It was announced today by W. S. Beddingfield, Mt. Airy, District Manager.

Awards to the workers have been made by Colonel L. D. Denmore, vice president of the company, Charlottesville, Virginia. They are in the form of gold, silver, and white certificates, presented according to the accident free service of each individual as follows: Gold certificates, ten years, or more; Silver certificates, five to nine years; and White certificates, less than five years.

In commenting on the safety record of the North Carolina District employees, Colonel Denmore expressed his gratitude to all concerned for their active participation in the company's accident prevention program. He emphasized that while an employer can provide protective equipment and urge caution both on and off the job, it is only through the sincere and continuing efforts of individual workers that the desired results can be obtained.

"I hope that your good fortune will continue," he said, "and that during 1949 you will exert every precaution in handling your particular part of the job. Your reward will be your own personal well being and the gratitude of those who live and work with you."

Names of employees and awards received are as follows: Gold certificates: Louis Runkle, Asheboro; Phillip Poats, Elkin; W. S. Beddingfield, Vern W. Chase, and Macon Neal, Mt. Airy; and John Ward, Troy.

Silver certificates: Rawleigh Nelson, Asheboro, Ishmael Grogan, Leaksville; Curtis Hynton Wright, Mt. Airy; Kyle Brinegar, Joseph H. Byers, and John R. Redman, North Wilkesboro, and William F. Liske, Asheboro.

White certificates: William Boyd, Jr., Thursday Deaton, Lloyd H. Freeman, James O. Lassiter, and H. Van Neal, Asheboro; Edward Cooper, Arie Gentry, R. L. Hemric, Jr., Leonard B. Simmons, and Muriel Smith,

Elkin; Joseph W. Craddock, Keith W. Gant, and Drewery Pulliam, Leaksville; C. J. Wilson, Mocksville; Francis Andrews, J. Paul Beasley, Walter F. Bowman, Troy Gant, Roy T. Hepler, Joseph H. Kelley, Dale C. Ramsey, Calvin Riddle, Millard L. Southern, and Ray C. Tate, Mt. Airy; Mayford D. Alexander, Claude H. Triplett, and Avery Watson, North Wilkesboro; J. Wesley Deberry, and Ray J. Webb, Troy.

## Conviction On Free Speech Is Upheld

Washington, May 16. — A sharply divided Supreme Court held today that freedom of speech cannot be curbed merely because the speaker stirs people to anger, invites public dispute and creates unrest.

Justice Jackson, one of a four-man minority, called the decision a "dogma of absolute freedom for irresponsible and provocative utterance" which almost completely ties the hands of local officers trying to maintain peace.

"Danger" Seen  
"There is danger that, if the court does not temper its doctrinaire logic with a little practical wisdom, it will convert the constitutional bill of rights into a suicide pact," he said.

The court struck down the conviction and \$100 fine meted out by the City of Chicago to Arthur Terminiello, a Catholic priest from Birmingham, Ala., who was at the time of his speech under suspension from his duties as a clergyman. He spoke at the West End Women's Club Auditorium on the night of February 7, 1946, under auspices of the Christian Veterans of America.

Gerald L. K. Smith called the meeting, describing Terminiello as "the Father Coughlin of the South."

Douglas Reads Opinion  
Justice Douglas read the five-man majority's opinion. It called unconstitutional a Chicago ordinance which the Illinois courts had construed as permitting disorderly conduct conviction for any speech which "stirs the public to anger, invites dispute, brings about . . . unrest or creates a disturbance."

"A conviction resting on any of those grounds may not stand," Douglas declared.

"A function of free speech under our system of government is to invite dispute. It may indeed best serve its high purpose when it induces a condition of unrest, creates dissatisfaction with conditions as they are or even stirs people to anger."

Dissent Written  
Justice Burton joined in Jackson's 7,500-word dissent. They called the majority decision a fulfillment of "the most extravagant hopes of both right and left totalitarian groups, who

want nothing so much as to paralyze and discredit the only democratic authority that can curb them in their battle for the streets."

Justice Frankfurter wrote another dissent, on different grounds. Jackson and Burton joined in it. Chief Justice Vinson also wrote a dissent—his third written one since he has been on the bench.

## 4-H Girls Make 20 Million Meals In Food Program

Will 20 million meals placed end-to-end reach around the world? Nobody seems to know. But it is a fact that some 400,000 4-H Club girls last year planned, prepared and served 20 million meals as part of their training in the National 4-H Food preparation program. In North Carolina, 8,555 were enrolled in the project, according to L. R. Harrill, State Club Leader, and the 1949 program is off to a good start.

Designed to help 4-H'ers understand food values from both health and economy standpoints, the program also develops desirable personal food habits. The youthful cooks range in age from 10 to 21 years, and as in all 4-H Club activities they "learn by doing." Use of home-produced food is stressed.

Merit awards will again be provided by Servel Home Economics department. They are educational trips to the National 4-H Club Congress for state winners, gold-filled medals for county winners, and six \$300 scholarships for members of a special blue award group. The Cooperative Extension Service supervises the program.

Mary Farmer, of Tomotla, won the 1948 state and Cherokee county awards. There were 59 additional county winners in North Carolina.

There is potential demand in Europe for from 25 to 30 per cent more citrus and citrus products than before World War II. However, there is little immediate possibility of improving the market there for United States citrus exports because of a dollar shortage in most European countries.

## Man Finds Money Underneath House

Durham, May 16.—Marvin W. Bordeaux, Durham, found more than \$600 in a tin can under his house, while excavating for a basement washroom here.

Bordeaux said he counted \$600 but that most of the money was decomposed and he mailed the remainder to the Treasury Department for redemption.

Bordeaux, a maintenance worker at Erwin Cotton Mill No. 6, has been living at his present

address for the past 12 years. He doesn't know who put the money there.

The Bordeaux's daughter, Mrs. W. O. Autry, of Durham, said she dreamed of gold under her parents' house several times.

A regular part of the work of the Bureau of Agricultural Economics is to find out what farmers get for their commodities and how much the consumer pays at the retail store.

# Revelation Ride

1909-1949 . . . Celebrating 40 Years of Engineering Leadership

Come in! . . . See why the New Hudson is America's "4-MOST" car!

- 1 MOST BEAUTIFUL**  
Voted by millions—"America's most beautiful car!" A low build is the basis for modern beauty, and the New Hudson, with "step-down" design, is lowest of all—yet there's full road clearance. Its stunning lines flow naturally, even to the graceful curves of its Full-View windshield.
- 2 MOST ROOMY**  
Not just "more" roomy, but the most seating room in any mass-produced car, the most efficient use of interior space. Amazing head room, leg room to spare. You enjoy the most riding comfort—ahead of rear wheels, within the base frame, down where riding is most smooth, most relaxing.
- 3 MOST ROAD-WORTHY**  
Not just "more", but most road-worthy! Only Hudson, with exclusive "step-down" design and recessed floor, achieves a new, lower center of gravity—lowest in any stock car. Result: safest, steadiest ride ever known! To all this, Hudson adds the advantages of unit body-and-frame construction.
- 4 MOST ALL-ROUND PERFORMANCE**  
Your choice of the high-compression Hudson Super-Six engine, America's most powerful Six, or the even more powerful Super-Eight. Center-Point Steering for easiest handling. Triple-Safe Brakes for utmost safety. And many more high-performance, low-keep features.

**NEW Hudson**  
ONLY CAR WITH THE STEP-DOWN DESIGN

And in addition, only Hudson brings you . . . All these "most-wanted" advantages: Automatic gear shifting with Drive-Master Transmission . . . all-new, high-compression Super-Six Engine, most powerful American Six, or masterful Super-Eight . . . Chrome-Alloy Motor Block . . . Dual Carburetion . . . Fluid-Cushion Clutch . . . Monobilt Body-and-Frame . . . Demountable Individual Fenders . . . Interior Door Handles, Window Controls in recessed door panels . . . Super-Cushion Tires . . . Safety-Type Rims . . . Weather-Control Heater-Conditioned-Air System . . .  
\*Optional at slight extra cost \*\*Trade-mark and patents pending
