

Chip Caudill Is Airman Of Month 90th Squadron

Headquarters Yokota AFB, Japan.—Charles "Chip" Caudill, son of Mrs. H. B. Douglas, 210 6th Street, North Wilkesboro, North Carolina, really had a big month in Japan recently when he was selected as Unit Airman of the month for the 90th Bombardment Squadron and promoted to the grade of Corporal.

Corporal Caudill enlisted in the United States Air Force in August of last year and arrived in Japan in the middle of December. Upon arrival at the second major port of Yokohama he was assigned to the Fifth Air Force and subsequently reassigned as a clerk typist in the Orderly Room of the 90th Bombardment Squadron at Yokota Air Force Base, most prominent aerial installation in the Far East Air Forces, located approximately thirty miles northwest of the Tokyo-Yokohama area.

In the announcement of his selection as Airman of the Month, Major Stanley Kline, Commanding Officer of the Squadron, said, "Corporal Caudill is an excellent Airman and has ably demonstrated this in the efficient performance of his duties in the Orderly Room. His exemplary personal habits and military bearing have won him the respect of all Officers and Airmen with whom he has come in contact."

Prior to service with the Air Force, Corporal Caudill held a position with the Prevette's stores in North Wilkesboro, until the time of his enlistment. A graduate of North Wilkesboro high school, class of '48, Airman Caudill lettered four years each in football and basketball. Since his arrival in Japan he has played basketball and is currently playing softball for the Squadron team.

Milk production per cow in North Carolina last year amounted to 4,330 pounds, an increase of 70 pounds per cow over production for 1947.

Studebaker buying wave sweeps the nation!

Another all-time record in April!

More people bought new Studebaker cars and trucks in April 1949 than in any previous month in any year.

Studebaker sales in January, February, and March were the biggest for any quarter in Studebaker history.

Twice this year Studebaker has increased production in an attempt to meet this sensational upsurge in demand.

1949 is a Studebaker year!

Studebaker's really rolling!
