Thursday afternoon, at 3 o'clock, from the Troutman Methodist church, conducted by the pastor, Rev. Miles A. McLean. The body was removed from the chapel of the Johnson Funeral Home yesterday afternoon at 5 o'clock to the home in Troutman, to remain there until the funeral hour.

Rev. Mr. Yates retired from the ministry five years ago after serving churches in the Piedmont and Western districts of North Carolina, from Asheville to Albemarle, and has since made his home in Troutman.

In September last year Rev. Mr. Yates suffered a stroke of paralysis from which he never fully recovered. However, he was able to be up and did little things about the house. On Thursday of the past week he had a cerebral hemorrhage and was removed to the Davis hospital, where he passed away Tuesday.

**East Side Kids Win Two Games**

The East Side Kids took both ends of a double header here Wednesday afternoon.

In the first game the Kids defeated Millers Creek 12-4 as Wood hurled a brilliant one-hit game, while striking out fifteen batters. The only hit was a slow roller which Osborne beat out to short stop. The Kids got off to an early lead and were never headed.

Wood was on the mound for the East Siders with Eller catching. Osborne and Whittington shared pitching duties for Millers Creek with Watkins receiving.

In the second game Absher struck out 11 and tossed a two-hitter, both hits being by Anderson of Fairplains as the Kids won 7-2. Bussell, pitching for Fairplains, allowed only two hits, singles by Church and Johnston, to the Kids but they were put together with errors to win the game.

Osborne caught for the East Side Kids in the second game and Elledge was Fairplains' catcher.

The East Side Kids defeated Fairplains in a slugging baseball game at Memorial Park Sunday by a score of 17-15.

The Kids came from behind a 7-0 Fairplains lead in the first inning to take the game. Both teams pounded the ball hard.

Brooks, Shepherd and Bussell hurled for Fairplains with Elledge receiving. Wyatt and Absher were East Side pitchers and Eller was catcher.

Output of cigarettes from July, 1948, through June, 1949, is expected to total between 380 and 385 billion, compared with 379 1/2 billion in 1947-48. A decrease in exports has been more than offset by heavier domestic consumption.

**25,000 To Attend Mountain Singing**

Linville.—25,000 persons are expected to attend the 25th annual "Singing on the Mountain" at Grandfather Mountain near here Sunday, June 26th. Lt. Governor Pat Taylor and Judge Johnson J. Hayes will be among the speakers and over 50 "singing schools" from all over the southern Appalachians will appear, in addition to soloists and other groups of balladists and instrumentalists. Norman Cordon, Metropolitan opera star, will chime in with the native vocalists.

The day's events, chairmaned by Joe Hartley, originator and patron of the "Sing," will include appearances, scheduled or impromptu, of clerical and lay preachers, and a huge "dinner on the ground," with food assured for everyone. Visitors, who come from this region and from many states over the hills, will assemble early, coming by auto, horseback, wagon and mountain sled, and many families will use the occasion as a reunion.

Prices of eggs reached their spring season low in March, a little earlier than usual. They are likely to continue up at about the usual seasonal rate until fall.

**Millers Creek Club Demonstrates Salads**

On June 16, the Millers Creek Home Demonstration club met in one of the most interesting meetings of the year, with Mrs. Ralph Wooten as hostess and Mrs. C. H. M. Tulbert co-hostess. Mrs. M. F. Bumgarner, president of the club, had charge of the business session, with Mrs. J. H. Eudally in charge of the devotionals. Nineteen members answered the roll call. Our little club didn't do so badly in the cancer drive, we realized \$20.00. Mrs. Ralph Wooten, food and nutrition leader, had charge of the program, "Salads and More Salads." In a very skilful man-

ner she prepared and displayed some of the most delicious prettiest salads I ever saw. The pretty snowball salad, even if the temperature was a round 80 degrees, was most delicious. And the lovely flower salads hyacinths, tulips, and lilies of the valley looked most real to eat. Nevertheless, they were most delicious and very appetizing. At this season with snap beans and new potatoes, what could be better than some delicious salads mixed in. Just try it. We had a nice sample of each. And during the social hour the hostesses served a big helping of snowball salad, cheese "tid-bits" and Russian tea.—By Mrs. W. P. Bumgarner, club reporter.
