East Side Kids Lose To Purlear

Purlear baseball team eked out a 5 to 4 victory over the East Side Kids in a seven-inning game at Memorial Park Saturday.

Bussell pitched a three-hitter for the Kids but Purlear took advantage of every break, twice coming from behind to win the ball game. Huffman doubled across the tying and winning runs in the top half of the sixth inning after two were out. The East Siders collected six hits off Phillips, but were unable to hit the ball with men on bases. At least one of the East Sider players was left on base in every inning.

In the last of the seventh inning the Kids had the tying run on third base when Absher was called out on a disputed third strike bunt which went foul to end the ball game.

Bussell was the East Side pitcher with Johnson catching. Phillips and Huffman formed the winning battery.

Score by innings: R H E
Purlear 000 122 0 5 3 5

Man Charged With Assault On Girl, 12

Kannapolis, June 20.—E. B. Osborne, 36, of South Ridge Avenue is being held without privilege of bond on a charge that he criminally assaulted a 12-year-old Kannapolis girl.

The child, who lives across the Rowan line, told Police Chief I. T. Chapman she was ravished by Osborne three times.

She was treated at Cabarrus Hospital. Officers quoted the attending physicians as saying the youngster had been criminally assaulted.

Chief Chapman said Osborn did not admit the assault.

The attacks allegedly occurred between 11 p. m. Saturday night and 2 a. m. Sunday morning, according to Chief Chapman.

Osborn allegedly went to the girl's home, where he reportedly visited frequently, and found her there with an older sister and some friends. He offered to take the girl and two friends, a 16-year-old boy and another girl aged 11, for a ride, officers were informed.

About 11 p. m. Saturday night, Osborn stopped the car southwest of Kannapolis and struck the teen-aged boy, who then ran with the 11-year-old girl. Osborn held the 12-year-old girl by the arm.

Stopping an automobile, the fleeing youngsters asked for help in rescuing the 12-year-old. When police arrived nobody was there.

The girl was returned home by Osborn, about 2 a. m. Sunday morning, and Osborn was arrested at his home half an hour later by officers A. O. Seymour and W. W. White, according to Chief Chapman.

Craftsman's Fair At Gatlinburg, Tenn.

Plans have been completed for holding the second annual Craftsman's Fair of the Southern Highlands at Gatlinburg, Tenn., July 27, 28, 29 and 30, under the sponsorship of the Southern Highland Handicraft Guild and the Southern Highlanders, Inc. Last year more than 6,000 people visited the fair, also held at Gatlinburg, which encouraged sponsors and craftsmen participating to make plans for a larger fair and greater crowds in 1949.

At least 19 different crafts will be demonstrated in the entirety of the processes. The fair will be set up on the green of the Pi Beta Phi Settlement School, with tents for the various crafts.

Woodworking with modern equipment will be seen, along with the carver who uses only his knife and sensitive fingers. The furniture maker exhibits samples of the fine walnut, cherry, and other pieces for which North Carolina craftsmen are famous. Meanwhile mountain carvers patiently whittle animal figures and other pieces while fair visitors look over their shoulders and ask questions.
