From where I sit... by Joe Marsh

Windy Sure "Stopped The Show"

The other night a bunch of us were over at Judge Cunningham's watching a swell vaudeville program on his new television set. It came in fine, but just once, the screen got a little streaky.

Before the Judge could touch the knob to bring it into focus, Windy Taylor starts fooling around with the antenna connection. "I can fix that!" he says.

Windy fixed it all right. He "stopped the show" for us, and Buzz Ellis had to come over and do a \$20 repair job. I understand

Windy feels so bad, that he's paying the bill and has apologized to the Judge for acting so smart.

From where I sit, it pays to practice a little restraint whenever we get the urge to meddle. Whether it's television or a person's right to enjoy a temperate glass of sparkling beer now and then—let's get a good clear "picture" of the real situation before we cause more harm than good.
