Farmers will receive \$5 per acre for timber thinning and ing at Hotel Wilkes for employes Sam Winters, W. K. Sturdivant \$6 per acre for tree planting. However, it was pointed out that farmers must sign up for the Triple A program before the practices are carried out in order to qualify for payment.

Chairman Roberts Triple A said that the organization he heads was glad to include forestry practices, which had been urgently requested by the chamber of commerce because of the great importance of forest products in the economy of the county. Chairman Roberts asked the chamber of commerce to promote interest among farmers and woodland owners in complying with provisions of the Triple A for forestry payments.

Plans were made to enlist aid of schools, press, radio, Soil Conservation contacts, extension service personnel, 4-H clubs and rural ministers in this work.

Forestry Field Day A new plan will be used for forestry field days for high school boys. The plan used in previous years was to select 50 boys from all the schools for one central field day.
