Millers Creek Is Ready For Football

Seven Games Scheduled; Coach Osborne Is Working Boys Into Shape

Coach Sam Osborne at Millers Creek is drilling 25 candidates for the school's first football team.

Needless to say that the Millers Creek coach, a graduate of Appalachian T, has altogether new material, because not one of the boys has football experience.

Millers Creek school is still looking for some games, and does not have a complete schedule. The first game will be at Taylorsville on September 16. The 23rd is an open date and a game can be scheduled for that date. The first home game will be against Franklin high school, of Surry county, on September 30. Arrangements will be made to play most of Millers Creek's home games at night in Memorial Park in North Wilkesboro, using either Thursday, Friday or Saturday night.

On October 7 a game has been tentatively set with Cleveland, but the place has not been fixed. On the 14th Millers Creek will go to Mountain City, Tenn., and on the 21st will play Cove Creek here. Crossnore will be the next opponent here on October 28. November 4 and 18 are open dates and games are wanted for both. Millers Creek will play at Franklin November 11. Coaches with teams who can fill the open dates are requested to get in touch with Coach Osborne at Millers Creek.

In practice sessions to date Coach Osborne has tried the boys out at various positions in an effort to try to settle on the best combination. The backfield candidates include two quarterbacks who show passing ability. Clay Osborne and Benny Pierce. Other backs are Earl Watts, Beachel Snider, Ravaughn Ashley, Ronald Englebert, Tommy Whittington, Ray Church. Candidates for end positions are Jim Lael, Dale Elledge, Hubert Englebert, Jim Williams, James Rhoades. Rex Kilby is center.

Out for tackle and guard positions are Paul Snider, Paul Wellborn, Willard Crane, Bruce Crane, Glenn Church, Pritchard Faw, Bill Kanupp, Bob Sebastian, Paul Porter and Jackie Westheimer.

Although lacking woefully in experience, the boys will probably be as heavy as any of their opponents and may be able to give a creditable account of themselves during their first gridiron year. Since school opened Monday additional boys have joined the practice sessions and

the number may increase to 35 before opening date.

Many of the squad will be in school for at least two more years and prospects are good for football at Millers Creek during the next several seasons.

Miss Sara Meadows Celebrates Birthday

Miss Sarah Meadows, daughter of Mr. and Mrs. Earl Meadows, of Pores Knob, was honored at a birthday party Saturday afternoon given by her mother, Mrs. Meadows, at the Community House at Pores Knob. Fifteen girls came to help Sarah celebrate her eighth anniversary, and were directed in games by Mrs. Meadows, who was assisted by Mrs. Archie Anderson and Mrs. Bill Carlton. Block ice cream was served with pink individual cakes lighted by miniature white candles. The honoree, who received lots of nice gifts, had for favors for her guests small pink plastic baskets filled with candy in pastel shades.

'No Slot Machine' Includes Beer Dealers

Raleigh. — The State ABC Board yesterday extended its "no slot machines" ruling to include beer selling establishments as well as those selling wine. The board, opening a two-day meeting here, adopted ABC Chairman R. W. Winston's proposal to prohibit the operation of slot machines, pinball games, punchboards and gambling devices in establishments where beer is sold. Violation of the regulations would be grounds for revoking the proprietor's beer permit.
