**Fire Prevention Week Starts Off In Blaze**

Whiteville, Oct. 11.—Whiteville started off fire prevention week last night with a \$50,000 fire when the garage and storage building of Black's Service Station was burned to the ground.

Only a few sections of brick remained after the intense heat, mostly generated by hundreds of burning tires, had cracked walls and melted vulcanizing and re-capping equipment within the building.

Fire department trucks shuttled between Whiteville and South Whiteville, where the building was located, to carry water and prevent the blaze from reaching the adjoining station, also owned by Black.

**Keyes In Meeting At Mountain View**

A big gospel tent meeting is now in progress in Mountain View, with "Evangelist Sledgehammer Charlie Keyes" preaching nightly to large crowds, declaring the whole council of God, against sin, flesh, and the devil in sledgehammer fashion. Much interest is being shown in the meeting, and many well known ministers are co-operating with the evangelist to the fullest extent. Evangelist Keyes has been blazing the evangelistic trail in Wilkes county since he was 13 years of age, and this year he has held some of the most successful revivals, since he began his Christian mission work in the county. In his labors in the evangelistic field this year, he has won hundreds to Christ and revived many churches, with additional converts. One of the most successful meetings this year was in Boone, where the evangelist preached for four weeks to some of the largest crowds that has ever gathered in Boone to a tent meeting. In the great meeting God was glorified in a mighty way, the Christians were refilled and blessed, and the unsaved souls wept their way through to God nightly.

Backsliders were restored, and all church members were filled with fresh courage and faith. The deep moving of the Holy Spirit was constantly breaking out in new and unexpected places like spontaneous fires lighted by an unseen hand. From the opening song till the glorious ending of each altar service, the meetings were filled with alternate weeping and joyful shouts of victory. This meeting stirred many deeply, and the evangelist has been asked by hundreds in Boone and Watauga county to return next year for another great extended campaign.

The Mountain View meeting will continue through latter part of this month. Services begin promptly at 7:30, nightly.—Reported.
