### This Is The Story Of A Girl Betrayed BY LOVE...BY LIFE...BY YOU!

"One out of every twelve babies born in the United States is born out of wedlock. Of these, almost all are born to girls misunderstood...bewildered...afraid. About half of these mothers are from ten to nineteen years old, themselves the victims of broken homes and unhappy childhoods. This is the story of one of them. It is a story as bold as the screen has ever told...a drama as powerfully REAL and emotion-crammed as life itself. It is a moviegoing experience you will never forget!
