

DESTITUTE HOLLAND FAMILY APPRECIATES GIFT PACKAGES FROM THE RONDA HOME CLUB

Holland Family Helped By Ronda HD Club

This family in Holland has been "adopted" by the Ronda Home Demonstration Club, which sends the family a package of gifts twice each year. The father and mother are Mr. and Mrs. deLozanne and the children's names are Georges, Mia and William.

terior decorating, gracious living, simple entertaining, and many other subjects which help us build better homes and communities through which we hope to produce better citizens for tomorrow's world."

Our women enjoy taking part in community projects, such as Red Cross and Cancer drives.

Our most enjoyable outside activity is the family we adopted in Holland.

We mail this family two packages a year, one in the spring and one at Christmas time.

I am enclosing a copy of a letter from them and a picture of their family.

Oosburg, Holland 7-9-49

Dear Mrs. A. T. Whittington:

We received your gift parcel and were very glad with it. We thank you so very much for your help to us. It does always good when other people sympathize with us in need. We lost all our possessions by bombardment, even money, clothes, and furniture, so with three children you can imagine what a time we had in the two winters which followed.

Our little town was burnt down. No houses to live in, just barns and cellars. Gradually it is getting better. Thanks to the help of America. The Dutch people are very thankful to you.

Many, many thanks to the ladies of your club for the sheets, pillow cases, and wool for my sweater I was very glad with it. Very welcome also was the delicious soap and beautiful towels. What a wealth to be able to dry the children with a towel.

My husband was very content with his beautiful handkerchiefs, socks, and he has just used the Yardly shaving cream. He is excited about such good cream as he never had any so good before.

The children are happy with their candy, toys and especially the handkerchiefs as they are very difficult to become over here.

We are building another home but it is not yet completed. We need our money for food, clothes and taxes. Meat, cheese, coffee and rice are still on coupons here.

I hope you can read my English. I learned it at school before my marriage. I was a teacher and my husband is headmaster of a small school.

America must be a wonderful place, isn't it? How beautiful must be the mighty rivers, the mountains, the Niagara Falls and White House.

My husband tells about it to

the children in school but he says, "It must be a dream to see it really" and the farms in America must be a jewel with all the modernities.

I close in a photo of our family in our room. My given name is Mary, my husband is Harry, the children are Georges, age 11, Mia, age 6, and William (Whom we call Wim), age 4.

I did so appreciate the pictures of your club and of your family. Its wonderful that now our letters come to you all so far away and brings our best wishes to all the ladies of your club and to you and your family.

From the children and us. Mr. and Mrs. de Lozanne

George D. Jones, extension entomologist at State College, says control of rats is especially important to North Carolina farmers this fall because of the large corn crop being harvested.

Local Girl Now In Literary Society

Boone. — Twenty-one young women were initiated into the Vernician Literary society at Appalachian State Teachers college this week. Those who became members include:

Hudson invades lower-price field

WITH FAMOUS "STEP-DOWN" DESIGN

ANNOUNCING THE NEW Hudson Pacemaker

ON DISPLAY FOR THE FIRST TIME TODAY!

See this engineering triumph . . . a trim-size, new car with the sensational advantages of Hudson's years-ahead "step-down" design . . .

A streamlined beauty with a colorful new interior featuring gorgeous wool fabrics combined with plastic Dura-fab trim . . .

A neat-as-can-be automobile with more room than any other car at any price, except another Hudson; yet a car that costs you less to buy . . . less to drive!

HUDSON'S NEW PACEMAKER is here today! . . . On display today! . . . You can see it today!

For the first time in motor-car history, you can have compactness and lower price with big-car comfort and riding qualities. For here is an agile car with more inside room than in any other car at any price, except another Hudson.

It's a trim, tidy car with a lower center of gravity than any other make—and because of this you get a smoother road-hugging ride than is possible in even the costliest cars built the old-fashioned way.

Here, Hudson's "step-down" design gives you not only all the room, comfort, safety and amazing roadability, but also all the low-built beauty, the long, free-flowing lines that can come only with the "step-down" way of building motor cars. Every body line is naturally beautiful, even to the graceful curves of the Full-View windshield.

This is Hudson's new Pacemaker . . . priced for millions of new-car buyers!

You ride securely—in Hudson's single-unit, all-welded, all steel Monobilt body-and-frame*—safely within a box-section foundation frame that surrounds the passenger

compartment, even outside the rear wheels—relaxed in the roomiest seats in any automobile.

This is Hudson's new Pacemaker . . . with the new higher-compression Pacemaker engine, the power-packed engine that test drivers call "the smoothest, sweetest we've ever driven!" . . . the rugged, long-lived engine with new carburetion and fuel intake that make it a lightning-like performer with surprisingly saving ways!

And this amazing car brings you Hudson's new Super-matic Drive (optional at extra cost)—the only automatic transmission that includes the fuel-saving advantages of overdrive and that shifts gears just as you want to shift, that doesn't creep at lights, that doesn't slip as you roll along.

There are more . . . many more . . . fresh, colorful and desirable features in this great new car . . . too many to mention here. Hadn't you better see it today?

*Trademark and patents pending.
