**P.-T. A. Meeting  
Held On Thursday**

The regular monthly meeting of the North Wilkesboro P.-T. A. was held in the school auditorium, Thursday evening, November 17. Miss Ruth King Wood, director of religious education in the Presbyterian church, led the devotional. Father Peter Sheraton came before the group to report on the work of the T. B. Association and its work in Wilkes county and to urge all to support the T. B. drive by buying Christmas seals.

The treasurer's report showed a balance of \$1,132.25 in the bank, of which \$866.87 was cleared at the Halloween carnival. \$224.25 was reported as result of this year's membership drive. Mrs. Ivey Moore made a report on the carnival, and commended the work of the faculty members and members of the P.-T. A. who helped to make the carnival successful. The organization has already authorized purchase of physical education equipment for the school, and also made an allotment for the school library.

The program for the evening was a round table discussion on health, being conducted by J. Floyd Woodward. Those taking part in the discussion were Dr. Henry Landon, R. N. Wooten, Mrs. Claude Gentry, Mrs. Ira Payne, Miss Fender, Mrs. Palmer Horton, and Mrs. Bingham. The discussion dealt mostly with nutrition, and the school cafeteria, and the ways it meets the needs of the children.

Selma, Nov. 17.—Judge William I. Godwin of Selma, who presides over Recorder's Court in Johnston County every week, is wondering whether the anonymous sender of a postcard to his honor is hinting or not.

Judge Godwin, who hears a number of nonsupport cases each session of court, received a postcard mailed in Smithfield, which contained the following joke:

"In a domestic relations court, the judge listened intently to both sides in a case against an elderly man who was charged by his wife with nonsupport. After all of the evidence was in, the judge told the defendant: 'You haven't taken proper care of this good woman and I'm going to give her \$25 a month.'"

"The defendant beamed with pleasure. 'That's mighty nice of Your Honor,' he said, 'and I'll give her a dollar or two from time to time myself.'"

**RAMBLERS DEFEAT MOUNTAIN  
LIONS 32-6 IN ANNUAL GAME**

Wilkesboro high school Ramblers defeated North Wilkesboro's Mountain Lions 32 to 6 here Friday night before a crowd of 1,500 shivering fans who failed to show the usual volume of excitement over the annual contest for the championship of the "State of Wilkes."

Without Ray Triplett, who spent practically all the game on the sidelines because of a leg injury, the Ramblers ran up a lead of 18 points and coasted to a one-sided victory.

The Mountain Lions surged forty in two drives, one reaching pay dirt for a score and the other bogging down near the five-yard line.

Wilkesboro received and drove to N. Wilkesboro's 36, where the drive was halted following a penalty against Wilkesboro. Claude Nichols, who played a sensational game as Triplett's understudy, kicked out inside the one-yard line. Stoker immediately kicked off from North Wilkesboro's end zone, but it was a short boot, carrying only to the 20, and Wilkesboro was threatening again. On the first play from the 20 Nichols dashed over his own right tackle to score. The second Wilkesboro score came quickly. Emerson recovered a North Wilkesboro fumble on the 38. Harold Dancy picked up eight and Dan Linney ran through the Mountain Lions 27 yards to the three. Two plays later Linney scored. A Garwood to Edwards pass carried 35 yards to the 6 and two plays later Dancy went over from the two.

Bartley Harrold, showing his speed which makes him a promising backfield prospect, ran the kickoff back 42 yards to Wilkesboro's 48, but the Mountain Lions bogged down again. Later in the second period the Mountain Lions drove to the 21 with the aid of a 15-yard penalty. Jim Gillean plowed through to the 16 and Jim Moore picked up six yards to the ten. Quarterback Carl Swofford threw to Smith Hudson in the end zone with Hudson making a beautiful catch for North Wilkesboro's touchdown. Jim Moore was downed at the goal line on plunge for the extra point.

Ray Triplett made his first appearance in a running play in the third period and carried 13 yards for a first down on North Wilkesboro's 23. Harold Dancy ran 20 yards to the one. Triplett went over but a clipping penalty nullified the play and the ball went back to the 16. Triplett eluded several tacklers to carry for 14 to the two and went over on the next play. Bobby Parker, who played a sensational game for the Ramblers, broke through to block a North Wilkesboro punt on the 11 to set up the final score, which Harold Dancy made on the next play.

The fourth quarter was scoreless as Wilkesboro reserves were used more freely than in earlier parts of the game. The Ramblers used more than two teams in the contest. A North Wilkesboro drive in the final period was stopped with a fumble on fourth down on the four-yard line.

Triplett's leg injury effect was shown in his tries for extra points, making only two out of five placement kicks. Johnny Garwood, playing at quarterback instead of the injured Bill Byrd, played a good game and passed well. Claude Nichols, Harold Dancy and Dan Linney ran well for the Ramblers. The Wilkesboro line changed fast throughout the game. Nichols' punting was very effective for the Ramblers.

Carl Swofford passed well for North Wilkesboro but was hampered by lack of protection. Moore

and Gillean were the leading ground gainers in North Wilkesboro's offense.
