

TRIBUTE TO WORTH SALE

By RUTH LINNEY

Worth Sale, of Ronda, Route 2, near Brier Creek church, passed into the great beyond suddenly and without a struggle last Monday and was buried last Wednesday. Mr. Sale, who would have been 62 in February, had been in usual health, attending to his chickens and other farm chores and had eaten a hearty meal. He was a former deputy sheriff in Wilkes while Claud Doughton was sheriff, a farmer all his life, and an extensive raiser of broiler chickens. In early life he also taught school briefly in eastern Wilkes. As he said, though he had only finished the seventh grade, he knew more of the fundamentals than many young people nowadays who had finished high school.

Mr. Sale was the only son of the late Squire George W. Sale and Mrs. Mary Carrender Sale. His four sisters, Misses Jennie, Mattie, Armisa and Ann Sale were all grown when he was born, except Miss Ann, who was nearly grown. He was a grandson of "Uncle Joe" Carrender and Tirzah Sharon Carrender of the old Carrender home in Antioch township. All his life was spent on the Sale farm—a little more than a mile below old Brier Creek church on the old 60. Though of somewhat frail physique, Mr. Sale was an extremely hard-working man. As was attested by the great throng attending the funeral and the profusion of lovely flowers, few men in Wilkes were more widely known or had more friends.

No man in eastern Wilkes was a more faithful attendant at church and Sunday school. He

A Victim of Polio

united with old Brier Creek church as a lad about fifty years ago. On the death of his father he became clerk of the old church about twenty years ago. He also led the choir. As Mr. Sale confessed in prayer

meeting a few days before his death, his life was not without faults; he would not want to be painted as perfect. His effort was laudable. To quote Robert Browning, "A man's reach should exceed his grasp or what's a heaven for?"

Mr. Sale was married in 1912 to Miss Laura Mae Harrill, usually known as "Lollie", who survives. She was the foster daughter of the late Mr. Harvey S. Vannoy and the late Mrs. Kate Wellborn Vannoy. Also surviving are the two children, George Harvey and Mary Kate (Mrs. Graham Myers), both of Elkin. Still living, too, are his second sister, Miss Mattie E. Sale, of Ronda and Elkin, who taught school 50 years; and his youngest sister, Mrs. W. G. Church, of Elkin. His oldest sister, Miss Jennie, died young. Another sister, Miss Armisa, passed away several years ago. Mr. Sale and his wife had partially reared a few orphan boys. One was living with them at the time of his death.

At the funeral service a powerful and consoling prayer was made by Rev. J. L. Powers. Rev. C. C. Holland's sermon was most beautiful. For about thirty years he had been a close friend of Mr. Sale. Mr. Holland, who has a very beautiful and comforting voice, quoted much poetry, some of which had grown rather too familiar, but which recaptured all its freshness by its unique fittingness and Mr. Holland's exquisite diction. Rev. R. R. Crater, the pastor, read the obituary and paid sincere and touching tribute to Worth Sale, who he said was perhaps his closest friend. Interment was in the Sale plot in old Brier Creek cemetery.

Mr. Sale was a friendly and jolly man. His life was interwoven with the church work at

4-H Achievement Day January 27 At V.F.W. Hall

By H. C. COLVARD

(Assistant County Agent) Achievement Day for the 4-H Club boys and girls will be held January 27 at the V. F. W. Hall near the fairgrounds. The program will begin at 10:00 a. m., and continue on into the afternoon. The Achievement Day program will take place in the morning. This includes the "Passing Parade of County winners," out of county speakers and the awarding of medals, prizes and certificates.

Sandwiches are being provided by the North Wilkesboro Kiwanis Club. Milk is being donated by Coble Dairies and apples by the fruit growers of Wilkes county. An hour of recreation will be

Brier Creek and the activities of his own and surrounding communities. This part of Wilkes will never seem the same without Worth Sale.

held in the afternoon, ending around 2:00 p. m. All 4-H Club members, parents, teachers, school and local leaders are cordially invited to attend.

We appreciate the fine support to 4-H Club work given by the various organizations and individuals of the county.

John O. Everhart, Jr., Theodore M. Roberson of North Wilkesboro. Arthur D. Riddle of Wilkesboro, George D. Pardue of Ronda and Jones C. West of Ferguson.

Comrade Frank Pardue was elected State Executive Committeeman and John O. Everhart, Theodore M. Roberson and Rester R. Blackburn were elected Chapter Executive Committeemen.

Commander John West an-

nounced that the 1950 membership quota of 45 members, set up by the State Department has already been met by the local chapter.

The next regular meeting of the chapter will be held on February 7th, at the home of Commander John West in Wilkesboro.

Ten Reasons WHY YOUR BEST BUY IS NATURAL CHILEAN NITRATE

- 1. Natural.** Chilean Nitrate is the only natural nitrate in the world.
- 2. Nitrate Nitrogen.** The nitrogen is 100 per cent nitrate.
- 3. Sodium.** Chilean Nitrate contains sodium equivalent to about 35% sodium oxide (Na₂O). This acts like potash (K₂O) and helps to make the phosphate in the soil more available.
- 4. Iodine.** Chilean Nitrate contains iodine to help meet the needs of plants, animals, and human beings.
- 5. Other Plant Food Elements.** Chilean Nitrate contains small quantities of other elements that contribute to strong, healthy plant growth, such as manganese, potassium, magnesium, boron, calcium, iron, sulphur, copper and zinc.
- 6. Ideal Condition.** Chilean Nitrate comes in free-flowing pellets—easy to handle and to apply in any distributor.
- 7. Quick Acting.** Chilean Nitrate is immediately and completely available.
- 8. Anti-Acid.** Chilean Nitrate helps keep the soil sweet.
- 9. Time-Tested.** Chilean Nitrate has been proved by more than 100 years of research and practical farm experience.
- 10. Doubly Profitable—Economical.** Chilean Nitrate improves the quality of crops as well as the yield. Consistently excellent effects of heavy applications year after year upon crop and soil alike makes it an outstandingly profitable and economical nitrate for every need and purpose.

"THEY'S ONLY ONE NATCHEL SODA!"

"Just being natchel makes Chilean soda different. Lot of farmers says it's because the nitrogen is all nitrate, and that's how plants likes it best. Lot of 'em figure the soda and all the other minerals in it help make good, strong stands, too."
