Remember the story of "The Three Little Pigs?"

The first two pigs thought only of looks - and you know what the big bad wolf did to them! Now the third one, he was smart - he wanted ruggedness and dependability. And if you're as smart as we think you are, you want these same things in a used car! You want plenty of power under the hood . . . a tight chassis and strong, safe brakes. You want a car that handles easily - rides smoothly. You want all this - as well as good looks. Come in - and hear our low, low prices! Drive one of these wonderful buys today!
