Cricket Club Report Of Meeting For May

I am sure I would slip by without a report of our club meeting if the girls who make our scrap book would keep silent.

May 3, a large crowd gathered at the community house and our vice-president, Mrs. Clinton Eller, presided. After song, scripture, prayer, minutes, reports and roll call, Mrs. Turner made announcements and called on Mrs. Clyde Shoemaker, who read an interesting article.

Mrs. Green introduced Miss Addie Malone, who gave us advice on buying home freezers and followed with a demonstration of packaging strawberries for a freezer, and telling us how to prepare other fruits and vegetables for freezing.

Of most interest to me was the chickens she packaged, giving in detail every step from catching the chickens to putting them in the home freezer or locker. My attention was held throughout her interesting demonstration, for I wondered who would eat all those good looking packages. Then came relief, for Miss Malone announced that she would come back and cook the chickens and we would get to eat both chicken and strawberries. Yum! Yum!

Three new members were added to our roll.

During our social hour the hostesses, Mesdames Electa Goodwin, Virginia Bumgarner and Dolly Wagoner served drinks, cake and cream. We chatted for awhile then came away to await anxiously for our next club meeting.—By Club Reporter.

Wilkesboro High School Mixed Chorus Program Well Received By The Club

North Wilkesboro Kiwanis club held a delightful meeting Friday noon at Hotel Wilkes. In addition to a splendid program of music, the club discussed a number of matters of public interest.

J. B. Williams discussed the needs of the North Wilkesboro high school band and asked that the club consider putting an amount in the budget to help support it.

President E. N. Phillips called attention to the recent election of Dr. Fred C. Hubbard, member of the club, as the president of the North Carolina Medical Society.

John Cashion called attention to the results of the Easter Seal campaign, saying that there had been received the sums of \$987.64. He urged all who have not made their subscriptions to do so at once so that the quota will be reached.

Tom Jenrette urged everyone to get registered for the coming primary.

W. H. McElwee made motion, which was duly seconded and carried asking the secretary to express the city's appreciation to the fire departments of Statesville, Lenoir and Wilkesboro, all of which rendered much aid in fighting the disastrous fire which destroyed much valuable business property here April 29.

Paul Osborne and Frank Blair both expressed appreciation to all who have extended courtesies

IN MEMORY

In loving memory of Richard E. Pierce of Manchester, Maryland, formerly of North Wilkesboro, North Carolina, who passed away March 25, 1950.

Then came the summons, aha, how cruel the blow. All happened in a flash and the memory will last forever. How could he leave us, who had loved him so?

Father, who sees us, hear our prayer,

As watched here, Oh God, please watch him there; They say he is dead, cold words betray,

The truth, he is not dead—he is away.

But comes back in memory of his friends,

Oh! How we miss his smile and his gentle tender voice.

None are so rich they can get along without it,

And none so poor but are richer for its benefits.

It is rest for the weary, daylight to the discouraged,

Sunshine to the sad and weary soul.

Yet it cannot be bought, begged, borrowed or stolen,

Nor earthy good till it is given away.

Heavy are our hearts today, Memory brings you back once more

To the time when you were with us,

To the happy days of yours.

He was a kind father and a devoted husband. We thank our neighbors, and friends for their kind deeds and heartfelt sympathy. May God's richest blessings rest on each and every one.

and help on account of their fire losses.

Cecil Adamson, general program chairman stated that Friday's program was scheduled by J. H. Whicker who was unable to be present. He then presented Mrs. C. T. Doughton and Mrs. R. E. Prevette with their mixed chorus from the Wilkesboro high school. There were 45 young people in the chorus and they rendered the following delightful program:

1. "Sing Your Song Today."
2. "The House by the Side of the Road."
3. "A Check Dancer."
4. "Hills of Home" sung by Joe Brewer, accompanied by Mrs. Prevette.
5. "Climbing Up the Mountain" Spiritual by the boys.
6. "Pretty Gypsy Maid."
7. "Sleep Baby Sleep."
8. "The 150th Psalm."
