FLASHERS BATTLE MT. AIRY FOR 11 INNINGS, LOSE 8 TO 7

With several holes yet to be plugged, North Wilkesboro Flashers lost to Galax at Galax Monday night 5 to 1 and to Mt. Airy at Mt. Airy Tuesday night 8 to 7 in 11 innings.

At Galax the patched up line-up found the going rough in the field and committed a number of errors which accounted for a greater part of Galax's five runs. Lee Bentley went the route for North Wilkesboro and allowed seven hits, although only five of the seven could rightfully be called hits. North Wilkesboro collected only three singles off Webb, the hits being by Davenport, Wright and Thompkins, pinch hitter.

At Mt. Airy The Flashers lost no time boosting their batting averages off the fast balls of Wasco, Brooklyn farm hand, and scored six runs in the second frame. Bob Hite, playing his first game for North Wilkesboro this year, collected three hits in his first three times at bat. Dfape Pardue had two well timed hits and drove in three runs. Eggleston succeeded Wasco and was the winning pitcher.

Mike Scheer went the route for North Wilkesboro and could have won easily had defenses been tighter in the field. The players play-

Baseball Try-Out At Lenoir 3 Days

Lenoir, June 19 — A try-out camp for baseball players will be held here June 26, 27 and 28 under sponsorship of the New York Giants.

Bill Harris, chief scout in the Carolinas and Virginia for the Giants, and Dale Alexander, former major leaguer, will conduct the camp. Practice begins at 10 a. m. daily during the three-day period.

All boys between the ages of 17 and 21 are invited to participate in the camp. Boys must bring their uniform, shoes and glove. Those who are signed to contracts with any club in the New York Giants organization will have expenses refunded, Harris has stated.

Big Bob Wright Leading Flashers With 353 Figure

With four regulars of the North Wilkesboro baseball club off the roster, the batting averages for this week listed several pitchers who have been playing all over the field while replacements have been awaited.

But the averages this week have a new leader in Bob Wright, who has been filling in at first base since Tom Daddino left the club. During the past week the batting average of the powerful Wright jumped from 280 to a lusty 353, which indicates that his 220 pounds of bone and muscle thrive on regular duty.

Dave Davenport, the other batter of the one-two punch of the Flashers during the past week, climbed from 317 to 339.

Bernie Loman, who quit as manager of the club, previously had led with 341, and Tom Daddino, who also quit the club, was batting 313.

The figures below are near complete for the season through Monday night's game at Galax.

Bob Wright	353
Dave Davenport	339
Joe Subbiondo	226
Ed Morton	230
Dick Stockton	222
Carter Lentz	268
Alex Dubrosky	190
Mike Scheer	166
Bill Hamlin	241
Lee Bentley	125
Leslie Rhoades	428
Morgan Tompkins	333
Alvis Corum	080
Al Pearson	133

Bob Hite Returns To Flashers Team

Bob Hite, one of the fastest players ever to grace a Blue Ridge baseball field, has returned to play outfield for the North Wilkesboro Flashers.

Last year Hite played here, batted .302 and made such a good record that he was called up to Greensboro in the Class B Carolina league. He played in several games with Greensboro and in the last game there before being farmed out to New Bern in the Coastal Plains league he collected six hits.

At New Bern Hite had only hard luck. First was an eye injury and four weeks ago he pulled tendons in his left side and was sidelined for four weeks. Doctors have now given him the go ahead signal.

Hite, always a very popular player here, is now in good condition and tips the scales at 177.

FOR SAFE KEEPING
A House Appropriations Committee study disclosed that in one year the Federal Bureau of Internal Revenue printed 500 million tax forms and 115 million instruction sheets to supply 47 million taxpayers. Hundreds of millions of such forms, long outdated and no longer useful, were found stored in a leased building.

CARD OF THANKS
We wish to thank all our friends and neighbors for their many acts of kindness during the long illness and death of our dear husband and father, Milton H. Rash; also for the beautiful flowers. May God bless each one.
