

District Dairy Shows Scheduled In August

Dates for the 1950 series of district junior dairy shows in North Carolina were announced this week by John A. Arey, in charge of extension dairy work at State College.

The series will be held about a month earlier than usual, Arey said. The first will be held in Asheville on August 15 under sponsorship of the Asheville Merchants Association. The Belk Stores will sponsor one in Statesville on August 17 and another in Wilson on August 29.

Purpose of the shows is to interest and train young people in the proper methods of handling dairy cattle. The first show was held at Statesville in 1941, when about 200 animals were exhibited. Last year, 709 animals were exhibited in the four district events, which were preceded by 18 community and county shows in which some 800 animals were entered.

KING OF THE ROYAL MOUNTED

By Zane Grey

A comic strip titled 'KING OF THE ROYAL MOUNTED' by Zane Grey. The story follows a man named Tommy Tappet who is a 'tired lad at race-time'. He is seen driving a Buick Roadmaster. The comic panels show him being chased by a woman who is 'cutting out at top speed'. He is then seen in a workshop where he is working on the car's engine, specifically the distributor and fuel tank valve. He is shown to be very busy, even checking the plugs while driving. The comic ends with him being taken to an ambulance by a doctor.
