Valuable Land.

TOWN PROPERTY, &c. FOR SALE.
THE Subscriber offers for sale the Tract of LAND on which he lately resided, situated on each side of Fishing Creek, two miles south of Oxford; and estimated to contain One Thousand and Thirty-four ACRES. Two hundred Acres of this land is fertile Creek Bottom, beautifully situated, and in an improving condition, having been recently ditched. The Upland is generally productive—About half this Tract is in Woods and well Timbered. The Improvements consist of a DWELLING HOUSE, containing six rooms, a Cotton Gin, Granary, &c. &c. all new and well constructed. There is a convenient Spring of excellent water.

—ALSO—
A Tract known as the MILL TRACT, 4 miles south of Oxford, on the same creek, containing 520 Acres, about 70 acres of which is rich bottom. This land is generally of a good quality.—There is on this tract a SAW MILL in good repair, which might be rendered very profitable, the land being well timbered. Between 3 and 40 head of CATTLE, 50 or 60 head of HOGS, and some SHEEP, with the growing CROP, would be disposed of to a purchaser if desired.

—LIKEWISE—
A Tract of LAND, containing 107½ acres which lies on the north east section of the village of Oxford, and forms the north east boundary of the corporation limits. On this Tract, are several Lots of Ground prepared for cultivation, and one field of about 20 or 30 acres; the balance of the Tract is mostly WOODLAND and an extensive Park of Trees surrounding an elegant WELLING HOUSE, on an eminence which occupies a commanding view of the village. This house is 60 feet by 40, two Stories high, with sixteen comfortable and spacious Rooms—four in the cellar, (one of which is an excellent and well finished Dining Room) which communicates internally with the first floor.—Four rooms, four porches and a spacious passage on the first floor—six on the second, and two garret rooms, with ten fire places—Two stair cases, communicating from the first floor, so as to afford the advantage of privacy and seclusion to one part of the house from the other. All and every part of the house is comfortably finished and in the finest taste, having been designed by Jos. B. Littlejohn, Esq. the original proprietor, who took his design from the best models of modern architecture. Attached to the lot, is every necessary and convenient Out House—a large framed Kitchen, with three rooms and two fire places—a Servants' House of same description—Meat-house, Stables and Carriage house, Crib and Lumber house. Belonging to the establishment, is a DISTILLERY, built of Stone, with the necessary Fixtures, vessels, &c. for extensive operations. A large falling Garden for vegetables and fruits. Within one hundred yards of the Dwelling-house is a Spring of Water, which for coolness and purity is surpassed by none in the State. It issues immediately from the crevices of an extensive bed of rocks, and is handsomely walled in of the same material, with a good spring house.

Negroes, at a fair valuation, will be received in part or whole payment for any or all of the above property; or a liberal indulgence allowed for the purchase money, to secure which a deed in trust will be required on the property.

Persons wishing to purchase are referred, in my absence, to ROBERT B. GILLIAM, Esq. who is authorized to act for me.

He tenders his thanks to his friends and the public for past favors, and respectfully solicits a continuance of public support.

He will execute orders at short notice, and in the very best manner. His materials are good, and he has experienced workmen. He warrants all work done in his shop to endure well. Gigges, Carriages, Razees, &c. made to order, and all repairing promptly attended to.

MEADE A. SMITH, TAILOR.

Respectfully informs his friends and the public that he has removed to the House on Raleigh Street, recently occupied by Henry F. Ware, and formerly by John C. Palmer, where he still carries on the TAILORING BUSINESS, in all its departments. He tenders his grateful thanks for the patronage heretofore received, and solicits a future share of the patronage of the public. He deems it useless to speak of the manner in which he executes his work, as he has given satisfaction to those who have employed him, and the best test for others is to try him. He is determined to accommodate his prices to the exigencies of the times and he hopes his exertions will meet a liberal support.

ROSAWAY

From the Subscriber, on the 3d instant, a negro man named DICK, about 25 yrs. of age, about 5 feet 8 inches high, very black strong muscular form, full round face, talks with hoarse voice; took with him two coats, (one is of a reddish color and the other yellow,) 5 pair pantaloons, 2 shirts and 3 waistcoats.
