It has supplanted every Smut Machine yet offered in the State, more or less of which have been taken down to make room for it. The public need fear no imposition, as there are now some 280 Machines running in North Carolina; and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realized in their performance. It not only thoroughly cleanses the Wheat of Smut, but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the mill and requires but little pow-

er. It is warranted for five years against breaking or wearing out, and also to retain its cleansing qualities for that time. There are a number of these Machines through which 100,000 bushels of Wheat have been clounsed and they have never been out of order one day. There was awarded to it the Premium of the Maryland State Fair, and a Premium with a silver medal, at the Fair of the Maryland Institute, at Baltimore, last Fall.

take this method of returning my sincere and unfeigned thanks to my frends and the public generally, for the liberal patronage which they have bestowed upon me for the last five years, and I hope, that by a strict attention to business, to merit a continuance thereof. I have on hand, at my Manufactory on Bank street, a good supply of Carriages of my own manufacture, which I will sell on as accommodating terms as the same work can be procured in the State. And I would also state, for the information of those who are in the habit of patronizing Northern Manufactories, that having in my employ the best workmen to be found in the City, using none but the best materials, and being myself a practical Coach Maker, I am prepared to make to order anything in my line, from a one horse Sulkey to the finest Coach that runs our streets, which I will warrant to render as much service to the purchaser as any to be found either

North or South. I am also prepared to do repairing at the shortest notice and in a superior manner, and on the most

reasonable terms. JOHN CAMP, Bank st., opposite the Exchange Bank. Petersburg, March 11th, 1852.
