Already has experience demonstrated the fact hat much pain and distress are prevented in the family circles by the using of a few select medicines besides, it is the means, very frequently, of saving a Doctor's bill. Quite in advance of anything heretofore offered, have Dr. Little's Pharmaceutical Melicines succeeded in curing the diseases for which they are prescribed. For instance, his Anodyne Cough Drops have really cared more cases, and given more universal satisfaction, than any other known.
