SAVANNAH, Ggo., June 25th, 1852. I HAVE used the MEXICAN MESTANG LINIMENT for some time in my stable upon my horses in cases of Sprains, Bruises, Galls, Strains, and Sores of different kinds, incident to a large number of horses. I used it upon a horse which had been saddlegalled for nearly a year. I had tried many remelies, and one in particular, that I had been in the successful. Nothing appeared to give it any relief sale by until I tried the MUSTANG LINIMENT, which cured it in a very short time. I consider it an invaluable remedy, and would not be without it. WM. H. This article is one that every FAMILY, HOTEL, BOARDING HOUSE, Eating Saloon, Ship. Steamboat, Vessel, Canal Boat &c., wil find upon a careful trial, to be the very thing needed every single day of their existence. Its most important advantages over the old sys-

1. It saves the expense of milk, eggs, shortening, spoiled bread, and the trouble and expense of procuring good yeast, -water only being necessary. 2. No time is required for the dough to rise before baking; consequently bread may be made in a few

3. A cook can always depends upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not. 4 Bread made by this process is much more nutritious, easier of digestion, better fitted for a weak stomach, sweeter, whiter and lighter, than

when made with yeast. 5. The bread made by fermentation does not afford the same amount of nourishment to the system, that it does when made with this compound; because the vegetable acid contained in fermented bread, prevents the properaction of the gastric fluid ish the body, while the acids tend to produce dys-

pepsia and its attendant evils.

The article has been thoroughly tested, and is universally liked. When used according to the ditestimonials as to his qualifications as Teacher,
