HOLLOWAY'S OINTMENT. MOST MIRACULOUS CURE OF BAD LEGS, AFTER

YEAR'S SUFFERING. Extract of a Letter from Mr. Wm. Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor Holloway : Sir-At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy hat medical men advised, was tried, but without effect-her health suffered severely, and the state Shaver, Salisbury; John H. Cook, Fayetteville, E. of her legs was terrible. I had often read your F. Lilly, Wadesboro'; J. J. Biggs, Raleigh; Leroy advertisements, and advised her to try your Pills and Ointment: and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last fortythree years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.

WILLIAM GALPIN (Signed) A Person 70 Years of age cured of a Bad Leg, of 30 Years Standing. Copy of a Letter from Mr. Wm. Abbs, Builder of Gas Ovens of Rushcliffe, near Huddersfield, dated

May 31st, 1851. To Professor Holloway: Sir-I suffered for a period of thirty years from bad leg, the result of two or three different accidents at the Gas Works, accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time. that few who had not witnessed it would credit

A Dreadful Bad Breast Cured in One Month. Extract of a Letter from Mr. Frederick Turner, of Penhurst, Kent, dated December 13th 1850.

To Professor Holloway: Dear Sir-My wife had suffered from bad breasts more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own legs by your unrivalled medicine, I determined again to use your Pills and Ointment and therefore gave them a trial in her case and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use, is really astonishing. I now strongly recommend them to all my friends. FREDERICK TURNER.

The Editor said, Dec. 22d. "Dr. Hoofland's Celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances .-We are speaking from experience, and to the afflicted we advise their use."

BALTIMORE, Feb. 9th, 1852. MESSES. MORTIMER & MOWBRAY-Gentlemen:-It s with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough had left me. Permit me also to state that for the last fifteen years I have suffer ed very much from Acute Rheumatism and Vertigo, confining me at times to my bed.
