I have used the Mexican Mustang Liniment for some time in my stable upon my horses in-cases of Sprains, Bruises, Galls, Strains, and Sores of different kinds, incident to a large number of horses. I used it upon a horse which had been saddlegalled for nearly a year. I had tried many remehes, and one in particular, that I had been in the habit of using for years, and had generally proved successful. Nothing appeared to give it any relief until I tried the MUSTANG LINIMENT, which cured it in a very short time. I consider it an invaluable remedy, and would not be without it. WM. H. HOLMES.

At first it was real "jumping tooth-ache," but soon the whole side of the face and jaw become swolien and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the its use. This morning he called with smiles of pleasure and feelings of gratitude illuminating his countenance, to say that the Limiment gave him almost instant relief, and had effected a perfect cure.
