of our most valuable Express Horses has been restored to soundness Our hostler obtained your legs were perfectly smooth, the tumors having entirely disappeared. We asked him by what magic he had effected so remarkable a cure; he replied the MUSTANG LINIMENT has been used for ten days, and the tumors are entirely removed without any soreness, or leaving a scar.

SAVANNAH, GEO., June 25th, 1852. I HAVE used the MEXICAN MUSTANG LINIMENT for some time in my stable upon my horses in cases of Sprains, Bruises, Galls, Strains, and Sores of different kinds, incident to a large number of horses. I used it upon a horse which had been saddlegalled for nearly a year. I had tried many remedies, and one in particular, that I had been in the habit of using for years, and had generally proved successful. Nothing appeared to give it any relief until I tried the MUSTANG LINIMENT, which cured it in a very short time. I consider it an invaluable remedy, and would not be without it. WM. H. HOLMES.

SAVANNAH, GEO., June 25, 1852. We have also used the MUSTANG LINIMENT extensively in our stable, and we find it to be the best

remedy we have ever used for sores or lameness of SAWYER, HOLLISTER & CO. MR. WILLIAM JOHNSON, for the last five years citizen of this city, and now the proprietor of the Hotel in Savannah, known as the Marshall House. has favored us with the following certificate :-The MEXICAN MUSTANG LINIMENT has

been used in my family, and on my plantation, for a great variety of diseases requiring an external plication, and has never failed to give immediate relief and effect a permanent cure. I have cured several cases of Rheumatism that had resisted the skill of our best physicians. It has cured Ringworms by a single application, Chilblains in a few Northern Cities, and is daily receiving his days, Toothacae immediately, Frost bites, Cuts, Sores and Corns, by a few applications; Nervous Headache cured entirely. In fact, I have used it for almost every thing, and it has always cured. I consider it the best medicine I have ever used. WILLIAM JOHNSON. Savannah, June 24th, 1852.

G. F. SECCHI DE CASALI, Editor of the 'L Eco D' Italia," No. 9, Spruce-street, New York, had a very severe attack of Neuralgia in the face, occasioned by taking cold in a decayed tooth. At first it was real "jumping tooth-ache," but soon the whole side of the face and jaw become swollen and inflamed, and the pain was most excruciating. In this condition he came into the store a few days ago, with his hands convulsively pressing his cheek, and his features very much distorted into expressions of great agony. We immediately applied the Mustang Liniment and gave him a bottle to continue its use. This morning he called with smiles of pleasure and feelings of gratitude illuminating his countenance, to say that the Liniment gave him almost instant relief, and had effected a perfect cure. Comments are unnescessary. Facts speak

for themselves. June 19, 1852. PRICES .- In consequence of the increased denand for the Liniment, we are now putting up 25 cents, 50 cent and \$1 bottles.
