PURE JAMAICA GINGER.

THE price of these pills is now reduced to 25 cents per box. The object of the proprietor in making this large reduction is mainly to place them within the reach of a large class of our population who are in the habit of resorting to medicine in this form who have been, in a great measure precluded from the use of these pills by the high price at which they have hitherto been sold. TOTHING need be said to command the attention of the public to this article, when con vinced that it is PURE and unadulterated. Medical men, or those seeking a harmless beverage to destroy the unwholesome effects of brackish and turbid water, can rely upon its genuine character, as it is also extensively used for culinary purposes, in flavoring cakes, preserves, &c. To the afficted with Dyspepsia, Summer Complaints, Cholera, Nervous Debility, Fever and Ague. Dizziness, general Prostration, &c. nothing has evor been prescribed with equal effect.
