## GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COM-

PANY.

HIS Company, as its name indicates, is upon the mutual principle, and embraces two disinct departments, to wit : Life Insurance and Trust departments. This attractive combination offers to Policy holders double the ordinary securi-ty, without destroying their right to a full participation in the entire profits of the Company. Premifamous Ladies Shoe Saloon putin his claim to do a large share of this particular on at the time the Policy is issued.

In the TRUST DEPARTMENT, or Deposit Sys tem, the payments made to the Company are entirely optional with the Depositor, as regards the amount and the time at which they are made. A party may pay in as much or as little, (not less than one dollar,) and as often, as may be convenient for him, without any obligation upon him to continue his payments, -and may withdraw them at his pleasure.

So that, on the plan of this Company, there is reated at one and the same time an assurance payable at death-a fund available in sickness-and a provision for old age.
