One Thousand Piano Fortes!

"UPWARDS OF ONE THOUSAND PIANOS Sold and never sold a bad one."

ALWAYS having had the Sole Agency in Virginia and North Carolina—together with the unparalleled number we have sold, (more than one thousand)—enables us to assert with Truth and Confidence from so long and well tried experience, that they are,

UNRIVALLED IN TONE AND FINISH; embracing in the same Piano a Most MELLOW AND SOFT, AS WELL AS A MOST POWERFUL AND SUPERB TONE.

We keep always on hand a large and varied stock, of the Newest Styles, and at the Lowest Rates, so that purchasers can always find exactly the style etc. they may want. The difference in price being occasioned only by the outward finish, enables those who wish to buy cheaply, to obtain the same advantages of a fine and beautiful tone, as in a Piano of greater value. A large number we would sell at a sacrifice, to those who are not able to present themselves, and as it always devolves much more responsibility upon us, all may be assured we want Pianos, that with Attention, and the care they will supply the orders, they shall have a Piano Forte at precisely the Northern Price, (as has been often tested) and an instrument from the best makers in the world.

Guaranteed and allowed to be returned if not all they are represented to be.

It is highly recommended for the removal and permanent cure of the following diseases, viz: Scrophulous or King's Evil, Rheumatism, Syphilis, Gonorrhoea, Stricture, Dropsy, Dropsical Swellings, Scoury, Neuralgia or The Doloreux, Cancer, Gout or Bronchocoele, (swelled neck), Spine Disease, Chronic Disease of the Lungs, Jaundice, Hydropsy or the enlargement of the Heart, Pileptony and Trembling in the Region of the Heart and Stomach, Enlargement of the Bones, Joints or Ligaments. FALL TRADE—1853.

BOOTS AND SHOES.

THE GREAT RIVALRY OR, WHO SHALL CONTROL THE NORFOLK SHOE MARKET AT WHOLESALE.

SOME years ago the Proprietor of the famous Ladies Shoe Saloon put in his claim to the large share of this particular branch of the Shoe business, by importing one of the largest

STOCKS OF BOOTS AND SHOES, which he sold at a low price, since then at each successive season our stock has gradually increased until the present time, and now we do a larger business than any other house in Eastern Virginia.

The Ladies' Saloon was first established about 12 years ago, and the Store has been repeatedly altered and enlarged to make room for Mr. ADINGTON'S increasing trade, until now the old Store can no longer enlarged, he has recently purchased a large share of the largest Stores for his business in the United States.

The new Store is four times as large as the old one, so that hereafter we shall be prepared with the goods to do the largest Boot and Shoe trade done in the State.

(A complete description of this splendid new Store will be given about the 15th of July, when it will be opened.)

At the commencement of each season we have on hand from

\$80,000 to \$100,000 Worth of BOOTS, and SHOES, while we constantly receive heavy shipments of goods during its continuance. Our success has indeed been signal and why? because we have always conducted our business on equitable principles, mutually benefiting the seller and the buyer.

This success is fully attested to us, inasmuch we intend to make still larger additions to our stock, and therefore invite all Country Merchants and Shoe Dealers to come and deal for the future with us at the new Store.

HUNDREDS OF MERCHANTS have already accepted our invitation, who return and buy more goods at each season, saying, "they can do better at the

LADIES' SALOON. Than they can do at the North." We guarantee to sell at the lowest price less than others, and to sell goods which will suit the retail trade of Virginia, and North Carolina Merchants, better than any they may purchase elsewhere.

The stock consists in part of Gentlemen's Boots and Shoes, of every fashionable variety; Ladies' Gaiter Boots, Jenny Lindas and other celebrated styles; Mens' calf Skin Brogans, of every quality, viz: Kip Brogans, of every quality, viz: Mens' coarse thick Brogans, for Negroes, Dutch Women's Brogans, for outdoor Women, Field hands and for Cooks; Women's Leather Boots, for House Servants, &c.; Shoes of every kind and quality; Boys' Kip and coarse Boots and Shoes of all kinds, Misses and Children's Shoes of all kinds, over 100 different varieties.

The attention of Country Merchants is invited to this immense stock of Boots, Shoes and Brogans at Ladies' Saloon, where they can buy every article wanted by them, at the lowest wholesale prices, thereby saving themselves the trouble and expense of going to the North for their supplies.

TERMS—6 MONTHS CREDIT.

The Ladies Saloon is on Main Street, near Walters' City Hotel, with W. H. ADDINGTON, July 6, 1853. 47-55

GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COMPANY.

THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust. In the TRUST DEPARTMENT, or Deposit System, the payments made to the Company are entirely optional with the Depositor, as regards the time at which they are made, and the party may pay in as much or as little, (not less than one dollar,) and as often, as may be convenient for him, without any obligation upon him to continue his payments, and may withdraw them at his pleasure.

So that, on the plan of this Company, there is created at one and the same time an assurance payable at death—*as fund available in sickness—and a provision for old age.*

New York, May 31, 1853.

THE DIRECTORS of the Association for the Exhibition of the Industry, of all Nations give notice that the Exhibition will be opened on 15th day of July.

It is proper that it should be known that, in order to afford ample scope for the inventive talent and skill of our countrymen in machinery and agricultural implements, we have increased the size of the building by adding nearly one-fourth to its area, which has elicited a cordial response from the governments of foreign countries. It will, unquestionably, be the most attractive and interesting collection of the works of art, the results of science and the productions of industry that has ever yet been made in this country, and will tend to increase the active emulation of the age in every branch of intellectual development.

The sole charge of the interior of the building, its arrangement, classification and police, has been confided to two officers of the Navy of the United States, Captain S. F. Dupont and C. H. Davis; and the sanction of the government given to the appointment of these gentlemen, who have so much distinguished themselves in the special services in which they have been employed, affords proof of the confidence reposed and the interest felt, by the highest authorities of the country, in the general objects of the enterprise.

These gentlemen have organized their department as follows:—

J. M. Batcher—Secretary of the Superintendent; S. C. Willman—Arrangement of Space and Classification of Exhibits;
Prof. B. Silliman, Jr.—Mineralogy and Chemistry;
B. P. Johnson—Agricultural Implements;
J. W. H. Holmes—Machinery;
Edward Vincent—Textile Fabrics;
Felix Platt—Sculpture.

The official Catalogues and the Illustrated Weekly Record of the exhibition are to be published in the building, by Messrs. E. P. Putnam & Co., under the supervision of the Association.

The directors have sensibly felt the confidence reposed in them by their fellow citizens, in all parts of the country; and they will continue to make every effort to satisfy their just expectations.

JOHN C. BAKER & CO'S
Compound Fluid Extract of Sarsaparilla.

This preparation is offered as a substitute for the many preparations put out under the same name, which are for the most part absolutely worthless, being entirely destitute of the active principle, and being prepared from inferior and unwholesome materials, are highly injurious to the health of the patient.

We have received numerous testimonials, expressing in the strongest terms the great efficacy of this medicine, and its superiority over other preparations of Sarsaparilla.

Physicians can prescribe it with the utmost confidence, relying upon its uniform strength, and that it is prepared from the best material.

It has elicited from the most eminent of the Faculty in Philadelphia, who have employed it, frequent expressions of commendation, at the unvarying success of its administration, producing the most satisfactory and beneficial results.

It is highly recommended for the removal and permanent cure of the following diseases, viz: Scrophulous or King's Evil, Rheumatism, Syphilis, Gonorrhoea, Stricture, Dropsy, Dropsical Swellings, Scoury, Neuralgia or The Doloreux, Cancer, Gout or Bronchocoele, (swelled neck), Spine Disease, Chronic Disease of the Lungs, Jaundice, Hydropsy or the enlargement of the Heart, Pileptony and Trembling in the Region of the Heart and Stomach, Enlargement of the Bones, Joints or Ligaments.
