GREENSBOROUGH Mutual Insurance Company? THE cost of Insurance on the usual plan is but a small sum, compared with a joint stock Company. This Company being located in the Western part of the State, consequently much the larger portion of the risks are in the West, very many of which are in the country.

GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COMPANY. THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust Departments. This attractive combination offers to Policyholders the ordinary security, without destroying their right to a full participation in the entire profits of the Company.

FALL TRADE—1853. THE GREAT RIVY ALRY OR, WHO SHALL CONTROL THE NORFOLK SHOE MARKET AT WHOLESALE. SOME years ago the Progress of the shoe trade in Norfolk was such that the Ladies Shoe Salon put in his claim to do a larger share of this particular branch of the shoe business, by importing one of the largest stocks of BOOTS AND SHOES, than any other dealer in Norfolk; since then that each successive season our stock has gradually increased until the present time, and now we do a larger business than any other house in Eastern Virginia.
