Auburn for Sale!

THE owner will offer at Public Vendue at the Court House door, in the city of Raleigh, on Monday, the 17th day of October, (if not previously disposed of at private sale,) his Farm, 9 miles east of Raleigh, situated on the Newbern Road, and formerly well known as the "BUSBEE PLACE." It contains 400 acres of good tree land, with a fair proportion of wood land. On the premises is a very good Dwelling House, containing eleven rooms; there are very few country houses supe-rior to it in the county of Wake There is a good kitchen, with several houses for negro quarters; a carriage-house, Cider Press, Stables, Cotton Gin House, &c , and a Store House, at which a very respectable trade is carried on.

There is a very large apple Orchard, near the Dwelling House; also a large number of Peach trees with Pear, Plum and Cherry trees.

There is a Post Office on the premises .- the mail arriving three times a week via the Wilmington and Raleigh Road, and three times from the city of Raleigh.

The location of the buildings is in the midst of a grove of large Oak, high and healthy. It would be a delightful residence; or would answer for a Boarding House for persons desirous of spending their summers in the country.

The North Carolina Rail Road, about to be built, has been marked off to run within a hundred yards of the Dwelling.

A further description is unnecessary, as no one o preserve the character of the House, and to add will probably purchase, without examining the premises.
