BROWN'S ESSENCE OF JAMAICA GINGER.
This Essence is a preparation of unusual excellence. In ordinary diarrhoea, incontinent cholera, in short, in all cases of prostration of the digestive functions, so common, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious; no family individual or traveller should be without it, as it enables the system to resist the influence of insidious disease, which lurk in a changing climate.
Caution.—Be sure to get the genuine Essence, which is prepared only by **F. Brown**, at his Drug and Chemical Store, N. E. Corner of Fifth and Chestnut streets, Philadelphia, and for sale by all respectable Apothecaries in the United States, and in Raleigh, N. C., by **WILLIAMS & HAYWOOD.**

Cheapest, shortest and most expeditious route to Petersburg and the North.
TRAVELLERS coming down the Raleigh and Gaston Railroad are informed, that they will find at Gaston a passenger train ready to carry them to Petersburg, with any delay.
By taking this train, they will not only save 50 cents in the price of each passage and shorten the railroad travel 15 miles, but will reach the route via Weldon, but they will reach Petersburg before the Petersburg and Portsmouth cars start from Weldon, so those cars have to wait there for the Wilmington cars, and besides avoid the delay of 3 1/2 to 4 hours at that place.
For further information and tickets, apply to the Agent of the Greensville and Roanoke Rail Road Company, at Gaston.

GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COMPANY.
THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust Departments. This attractive combination offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company. Premiums will be received, in cash, either annually, semi-annually, or quarterly, as may be agreed upon at the time the Policy is issued.
In the TRUST DEPARTMENT, or Deposit System, the payments made to the Company are entirely discretionary, and, as regards the amount and the time at which they are made, a party may pay in as much or as little (not less than one dollar) and as often, as may be convenient for him, without any obligation upon him to continue his payments, and may withdraw them at his pleasure.
So that, on the plan of this Company, there is created at one and the same time an assurance payable at the option of the insured—a plan of insurance for all ages.
See Pamphlets furnished by the Company.

GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COMPANY.
THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust Departments. This attractive combination offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company. Premiums will be received, in cash, either annually, semi-annually, or quarterly, as may be agreed upon at the time the Policy is issued.
In the TRUST DEPARTMENT, or Deposit System, the payments made to the Company are entirely discretionary, and, as regards the amount and the time at which they are made, a party may pay in as much or as little (not less than one dollar) and as often, as may be convenient for him, without any obligation upon him to continue his payments, and may withdraw them at his pleasure.
So that, on the plan of this Company, there is created at one and the same time an assurance payable at the option of the insured—a plan of insurance for all ages.
See Pamphlets furnished by the Company.
