F. BROWN'S ESSENCE OF JAMAICA GINGER.—This Essence is a preparation of unusual excellence. In ordinary diarrhœa, incipient cholera, in short, in all cases of prostration of the digestive functions, so common, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious: no family individual or traveller should be without it, as it enables the system to resist the influences of incipient disease, which lurk in a changing climate.

CAUTION.—Be sure to get the genuine Essence, which is prepared only by F. Brown, at his Drug and Chemical Store, N. E. Corner of Fifth and Chesnut streets, Philadelphia, and for sale by all respectable Apothecaries in the United States, and in Raleigh, N. C., by WILLIAMS & HAYWOOD.

Cheapest, shortest and most expeditious route to Petersburg and the North.
TRAVELLERS coming down the Raleigh and Gaston Rail Road are informed, that they will find at GASTON a passenger train ready to carry them on to Petersburg, without any delay.

By taking this train, they will not only save 50 cents in the price of each passage and shorten the railroad travel 15 miles, compared with the route *via* Weldon, but they will reach Petersburg before the Petersburg or Portsmouth cars start from Weldon, as those cars have to wait there for the Wilmington cars,—and besides avoid the delay of 3½ to 4 hours at that place.

Mrs. Hill, of Va., Matron and Nurse.

THE Institution is located in one of the most healthful sections of Eastern Carolina.

Its eleventh session will commence on the second Wednesday of October, 1853.

The Domestic Department will be conducted by the Rev. J. R. Garlick and Lady of Va.

Ample provision will be made for warm and cold bathing, and other preservatives of health. The Primary Department will be re-organized, and placed under the care of a suitable Teacher.

The Institute has a Library, a Reading Room, and a Cabinet of Minera's. The Chemical, Astronomical and Philosophical Apparatus is not surpassed by that of any similar Institution in the South. The Literary Society of the Institute sustains a monthly Periodical which is read at the regular meetings of the Society. Extensive courses of lectures are delivered, accompanied with experimental illustrations. The Music deparment is furnished with ten new and very superior instruments and is conducted by a gentleman Teacher, aided by four lady colleagues. Musical Soirees are held monthly. There is also a large and valuable Organ for daily religious services. The Bible is regularly studied, and throughout the whole course, regard is had to the *moral culture* of the Student. The young ladies do not visit the stores nor Post Office, but make all purchases through the agency of friends. All letters received pass through the hands of the Principal, and where there is suspicion of a clandestine correspondence, the letters are sent unopened to the Parent or Guardian. The Students do not go abroad without a proper attendant. They are not allowed to visit, nor to receive calls, nor to attend any exhibition without permission from the Principal. They attend divine service on the Sabbath at such place as the Parent or Guardian may direct. To prevent rivalry in dress, a simple uniform is prescribed. There are two sessions commencing on the 2d Wednesdays of October and March. The vacation is from the last Thusday in July to the 2d Wednesday in October. Students can enter at any time and are charged accordingly. No deduction for tuition will be made after entering, except in cases of protrated illness, when *one half* the bill will be deducted. Parents and Guardians are earnestly requested not to bring nor remove young ladies on the Sabbath.

To those living near the railroads, Murfreesboro' is most accessible by the way of Boykin's Depot, on the Seabord and Roanoke Road, 12 miles from the Institute, where a regular conveyance will always be found.

GREENSBOROUGH
MUTUAL LIFE INSURANCE & TRUST COMPANY.
THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust departments. This attractive combination offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company. Premiums will be received, in cash, either annually, semi-annually, or quarterly, as may be agreed upon at the time the Policy is issued.

In the TRUST DEPARTMENT, or Deposit System, the payments made to the Company are entirely optional with the Depositor, as regards the amount and the time at which they are made. A party may pay in as much or as little, (not less than one dollar,) and as often, as may be convenient for him, without any obligation upon him to continue his payments,—and may withdraw them at his pleasure.

So that, on the plan of this Company, there is created at one and the same time an assurance *payable at death—a fund available in sickness—and a provision for old age.*
