**VALUABLE LAND FOR SALE.**  
Lying in "Oconee Neck" Northampton County, N. C.  
By virtue of the power and authority given me by the last will and testament of Richard J. Peedee, dec'd, I shall offer at public sale, before the Court House door, in the town of Jackson, on Monday, the 5th day of December, 1853, that certain tract of land, containing 1260 acres, nearly one half of which is open arable land and the balance is in original growth and well timbered with various kinds of oak, hickory and cypress. The open land consists in part of rich bottom, recently cleared, and produces from twelve to fifteen bushels of corn per acre. There are nearly one hundred acres of the same quality already cleared and ready to be cleared for cultivation. The crop upon this year's shift will make from a thousand to twelve hundred barrels of corn. There are also upon the premises a framed dwelling, a new barn and negro-houses, and other necessary buildings; and nearly the whole of the land, both open and wood-land is enclosed with a strong fence, affording good pasturage and a well adapted range for hogs and other stock. The said tract of land is slightly elevated, being about five miles from Jackson, on the Halifax road, and about one mile from Granville, on the road to the Petersburg and Roanoke and Seaboard and Roanoke Rail-roads. Persons wishing to examine the land can do so by applying to Mr. Baldwin, of Granville, or Nicholas Peedee, or to myself. A credit of one and two years will be given the purchaser by his entering into bond with approved security. WM. H. HUGHES, Esq., Jackson, N. C. Oct. 25, 1853. 84

**Here is your Remedy. HOLLWAY'S OINTMENT.**  
A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS SUFFERING.  
Extract of a Letter from Mr. Wm. Galpin, of 70 St. Mary's Street, Westminister, dated May 15th, 1851. To Professor Holloway:  
Sir—At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and gradually increased. Her agonies were so severe, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect. Her health suffered severely, and she was unable to do any thing but lie in bed. I had often read your advertisement, and advised her to try your Pills and Ointment; and, as a last resource, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without swell or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last forty-three years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.
