GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COM-

THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust departments. This attractive combination offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company. Premiums will be received, in cash, either annually, semi-annually, or quarterly, as may be agreed up-

on at the time the Policy is issued. In the TRUST DEPARTMENT, or Deposit Sys tem, the payments made to the Company are entirely optional with the Depositor, as regards the amount and the time at which they are made. A party may pay in as much or as little, (not less than one dollar,) and as often, as may be convenient for him, without any obligation upon him to continue his payments, - and may withdraw them

So that, on the plan of this Company, there is created at one and the same time an assurance payable at death-a fund available in sickness-and a prorision for old age.
