GREENSBOROUGH Mutual Insurance Company.

HE cost of Insurance on the mutual plan is but a small sum, compared with a joint stock Company. This Company being located in the Western part of the State, consequently much the western part of the State, consequently much the larger portion of the risks are in the West, very many of which are in the country.

The Company is entirely free from debt; have made no assessments, and have a very large amount in each and good bonds, and is therefore confidently recommended to the public.

GREENSBOROUGH MUTUAL LIFE INSURANCE & TRUST COM-PANY.

HIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit : Life Insurance and Trust departments. This attractive combination offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company, Premiums will be received, in cash, either annually, semi-annually, or quarterly, as may be agreed up-

on at the time the Policy is issued. In the TRUST DEPARTMENT, or Deposit Sys tem, the payments made to the Company are entirely optional with the Depositor, as regards the party may pay in as much or as little, (not less he is enabled to offer at very low rates. than one dollar,) and as often, as may be convenient for him, without any obligation upon him to. the Post-Officecontinue his payments, -and may withdraw them at his pleasure. So that, on the plan of this Company, there is

created at one and the same time an assurance payable at death-a fund available in sickness-and a provision for old age. See Pamphlets furnished by the Company.

Morris L. Hallowell & Co. PHILADELPHIA. TAVING REMOVED into their splendid new Warehouse, entrances No. 147 Market, and 21 North Fourth St., are opening for the Spring trade an assortment of Silk and Fancy Goods, that for extent and variety will surpass any stock ever offered in that market. Entering into their new store, which is one of the largest in America, with a business of an unusual amount already established, and intending largely to increase it, especis ly with those who buy for Cash, and believing that the fairest system in jobbing goods is to have Uniform Prices, they will be compelled to sell at a much smaller profit than can possibly be afford-

ed where long credits are given. Under their Cash and Short Credit system the necessi y for charging large profits does not exist and by selling their goods at a very small advance n the Foreign Cost, They mean to make it the interest of every judge of goods, to buy, upon the following Terms : Cash Buyers will receive a discount of six per cent, if the money be paid in par funds, within 10 days from date of bill.

Uncurrent money will only be taken at its market value on the day it is received.

To mcrehants of undoubted standing a credit of ket value on the day it is received.

To mcrchants of undoubted standing a credit of six months will be given if desired.

To more and other Fancy styles of Ladies' Shoes, and other Shoes, and oth Where money is remitted in advance of maturity, a discount at the rate of twelve per cent per annum will be allowed. They ask from merchants visiting the Eastern

cities the favor of an examination of their stock, being satisfied that they will be convinced that it is not for their interest to pay the large profits that are absolutely essential to those who give long credits.
