DENTAL CIRCULAR GREAT AND IMPORTANT DISCOVERY IN MECHANICAL DENTISTRY.

Having received the highest Premium and a Diploma from the State Fair of N. C. and Va. THE Subscriber respectfully informs the pul lie that he has succeed-ed in making a Mineral Compound, which he can make entire Sets of Teeth on LATINA PLATE, with continuous Gum, which re almost equal to natural. Teeth inserted on his BEAUTIFUL and INDESTRUCTIBLE method infinitely surpass, in elegance and natural appearance, any others that have been heretofore present. ed to the public.

These teeth are cemented to the plate, the cement being as strong as the Teeth. It perfectly fuses to the teeth and plate, forming a solid and ontinuous Gum, without crack or crevice. This Fum cannot be acted upon even by the most powerful acids, and has a perfectly natural and lifelike appearance; never becoming offensive or disagreeable to the wearer, as there is no place for ecretions to form. The Subscriber having spent many years in the

rosecution of SCIENTIFIC AND MECHANICAL DENTISTRY, Can confidently assure the public, that whatever operations may be entrusted to his care, will be performed in such a manner as to give entire satsfaction to the most fastidious.

DR. BELLINGHAM, an accomplished and competent assistant, has been employed to aid the Subscriber in the mechanical execution of his work, and other operations. These interested are requested to call and ex-

BROWN'S ESSENCE OF JAMAICA GIN-GER.—This Essence is a preparation of unusual excellence. In ordinary diarrhoa, incipient cholera, in short, in all cases of prostration of the digestive functions, so common, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious: no family individual or traveller should be without it, as it enables the system to resist the influences of incipient disease, which lurk in a changing climate. CAUTION .- Be sure to get the genuine Essence. which is prepared only by F. Brown, at his Drug and Chemical Store, N. E. Corner of Fifth and Chesnut streets, Philadelphia, and for sale by all respectable Apothecaries in the United States, and in Raleigh, N. C., by WILLIAMS & HAYWOOD. Aug. 2nd, 1858.

GREENSBOROUGH Mutual Insurance Company. TAILE cost of Insurance on the mutual plan is

bat a small sum, compared with a joint stock of Company. This Company being located in the Western part of the State, consequently much the larger portion of the risks are in the West, very many of which are in the country.

The Company is entirely free from debt; have made no assessments, and have a very large amount in cash and good bonds, and is therefore confidently recommended to the public.

Morris L. Hallowell & Co. PHILADELPHIA. AVING REMOVED into their splendid new Warehouse, entrances No. 147 Market, and I North Fourth St., are opening for the Spring trade an assortment of Silk and Fancy Goods, that for extent and variety will surpass any stock ever offered in that market. Entering into their new store, which is one of the largest in America, with a business of an unusual amount already established, and intending largely to increase it, espec-ia ly with those who buy for Cash, and believing that the fairest system in jobbing goods is to have Uniform Prices, they will be compelled to sell at

a much smaller profit than can possibly be afforded where long credits are given. Under their Cash and Short Credit system the necessi y for charging large profits does not exist and by selling their goods at a very small advance on the Foreign Cost, They mean to make it the interest of every judge

of goods to buy, upon the following Terms: Cash Buyers will receive a discount of six per cent, if the money be paid in par funds, within 10 days from date of bill. Uncurrent money will only be taken at its market value on the day it is received. To mcrchants of undoubted standing a credit of

six months will be given if desired. Where money is remitted in advance of maturity, a discount at the rate of twelve per cent per annum will be allowed. They ask from merchants visiting the Eastern cities the favor of an examination of their stock, being satisfied that they will be convinced that it is not for their interest to pay the large profits that are absolutely essential to those who give long
