# GREENSBOROUGH Mutual Insurance, Company.

THE cost of Insurance on the mutual plan is bat a small sum, compared with a joint stock Company. This Company being located in the Western part of the State, consequently much the larger portion of the risks are in the West, very many of which are in the country. The Company is entirely free from debt ; have made no assessments, and have a very large amount in cash and good bonds, and is therefore confidently recommended to the public. At the last Annual Meeting the following Officers were elected for the ensuing year : JAMES SLOAN, President. S. G. COFFIN, Vice President.

### HERMAN & CO, NORFOLK, VA.,

DeSIRE particularly to inform the Merchants of North Carolina and the Eastern section of Virginia, that they have just received their Spring stock, comprising the largest and most desirable assortment that we have ever had the pleasure of

offering for their inspection ; assuring them at the same time that we can and will compete with any Needles, Fish Hooks & Tackle &c house in the wholesale Shoe business, whether North, South, East or West of us, in regard to styles, qualities and prices.

When the facts are taken into consideration, that we confine ourselves strictly to a wholesale and jobbing business, that we purchase our goods chiefly for cash, and that we conduct our business at a more moderate expense than any northern house, we think it will be apparent to all that we are prepared to enter into the strongest kind of competition with other cities. We respectfully solicit a call from Merchants visiting Norfolk, when we can assure them of the

truth of our assertions. We would be pleased to receive orders, which shall be faithfully and punctually executed. 2m 20 March 7, 1854
